WELCOME

It is always a pleasure to launch another Henleaze Christmas Festival. As soon as one finishes we start thinking about the next one. The hard work that goes into producing the event is always worth it.

So here we are again. I hope you will continue to enjoy all the fun and festive cheer. The many stalls loaded with enticing wares. The host of talented entertainers. The Children`s Entertainment area in Cardigan Road where Father Christmas can also be found in his Grotto. And, of course, the shops and businesses that remain open providing the opportunity for festive shopping and seasonal food and drink.

Events like the festival rely on the dedication of so many people and I would like to thank our small team of volunteers. Without them this event would not happen. Special thanks also to our sponsor C J Hole, whose support is invaluable.

And a warm vote of thanks must go to our our MC, Steve Yabsley, who has done a wonderful job for many years masterminding the entertainment. Dashing between the Outside Arena and the Bradbury Halll introducing the acts with wit and charm and ending up by calling out the Prize Draw winners. This is Steve`s last time with us so we express our gratitude for all he has contributed.

PRIZE DRAW

Amidst all the fun of the festival there is an opportunity to support some of our local charities by buying one, or a few, tickets for our Prize Draw. Watch out for the stalls in Waterford Road and on the corner of Henley Grove.

Every year since the festival started we have run the Prize Draw, and raised money for some very worthy causes. This year is no exception and the charities we are supporting are:

Children`s Hospice South West.
Committed to making the most of short and precious lives. The care offered is not simply about medical and nursing care for babies, children and young people, but about enriching the lives of them and their families.
www.chsw.org.uk

Cystic Fibrosis Comfort Fund. Founded in 1991 by a group of people from the Bristol Royal Hospital for Children, following a bequest from a grandfather, stipulating that the money should be used to benefit people with Cystic Fibrosis to bring some comfort and fun into their lives.
https://cfcomfort.co.uk

Made a Mark Charity. Helping professionals better support bereaved children through the provision of memory boxes and supporting materials. If a child loses a parent or sibling, the charity helps professionals by offering opportunities to capture precious memories and by providing initial support.
https://madeamarkcharity.com

We are grateful to the local businesses who have donated the many prizes this year. Top prize will be a Christmas hamper. Prize Draw tickets are £2 each and will be available in local shops in the run-up to the Festival as well as from the ticket stalls on the night.

CHILDREN`S CORNER

If your children need to let off steam during the Festival then there is plenty of fun to be had in Cardigan Road where the rides and some sweet treats are to be found.

This is always a popular spot during the evening with plenty of opportunities for young festival-goers to enjoy themselves including, of course, visiting Father Christmas.

One tip for getting there. You can avoid the inevitable throng in Henleaze Road if you take the lane behind the shops which runs between Dublin Crescent and Cardigan Road.

Father Christmas can be found holding court in his Grotto on the corner of the lane where young visitors might get a treat of their own as they whisper present expectations in his ear.

Santa visits are free but donations welcome.

The perfect place to find all your Christmas gifts - *for everyone!*

BEHIND THE SCENES

The festival runs for just four hours, but it takes a lot longer to organise. In fact planning for the next one starts just weeks after the last one finishes. Here`s a look behind the scenes.

The festival has a beating heart - its committee of volunteers led by co-ordinator Jane Emery. Without them there would be no festival. Some, including Jane, have been involved since the event was launched back in 2008. Others have since joined bringing new ideas and expertise.

Committee members each have a dedicated role. One organises the stalls which are such a huge part of the evening. Two others look after the entertainment in the Bradbury Hall and the Outside Arena - a job which has its challenges in finding the acts which are another vital part of the festival.

Someone else has responsibility for the Prize Draw, sourcing prizes from local businesses, organizing the tickets and, most important of all, finding potential charities to be supported which the committee will later vote on. And public events like the festival have to have licenses and comply with local council regulations on safety. It`s a big job for another committee member.

Producing and editing this programme is a job for another with someone else handling the advertising. A third organises the distribution into every letter box in the community helped by a team of other volunteers.

On the day there is much to do. Setting up barriers and road signs. Putting up lanterns on the stalls containing batteries installed, and later taken out, at special "battery parties". Coloured lights go up on the alleyway to Cardigan Road. A tricky job involving ladders.

During the evening volunteers will keep an eye on everything including the rubbish bins. And at the end of the evening it all has to come down and be packed away in readiness for next year.

FOOD FEST

It wouldn`t be a Christmas Festival unless there were a few festive treats to enjoy. Expect the chance of a sip of mulled wine, a mince pie or two, and if you fancy a burger or something in a roll you will not be disappointed.

Cafes will be open to welcome festival goers with plenty on offer for the hungry and thirsty.

And there will be pavement stalls along some of the Henleaze Road businesses to attract the passing trade.

Our volunteers must ensure the streets are clean at the end of the evening. So, to help them, please make use of the reycling bins for any rubbish. You will find them at strategic points around the festival.

USEFUL INFORMATION

Travelling to the Festival
Please help us to reduce the congestion to a minimum by walking to the Festival or arriving by bike. Henleaze Road gets very congested due to the amount of traffic and pedestrians using it. There will also be very limited parking in the side roads due to road closures. Wherever you park, please be considerate to the residents.

Lost Children/First Aid
There will be a Lost Children and First Aid point in Cardigan Road beside Santa`s Grotto.

Lost Property
Please give any lost or found property to anyone with a Henleaze Christmas Festival Hi-Viz tabard.

Disabled Parking
We have again included a special disabled parking area to add further facilities on the night for Blue Badge holders. We are grateful to St Peter`s Church for making their car park in The Drive available where up to eight spaces will be allocated. A marshal will be on duty to offer assistance.

Rubbish
Bristol City Council insist that we have rubbish bins as part of our licence. Please use them. They will be situated near food outlets at St Peter`s Hospice, the Co-Op and the fairground rides. If they are not used it could jeopardise our licence for future years. Please remember that the Festival team of volunteers cannot go home until all the rubbish is cleared. So, your co-operation would be greatly appreciated.

Security
We have employed Security staff who will be present throughout the festival period and will be wearing Hi-Viz jackets. Should you have any security concerns e.g. suspicious persons or a package, please notify one of the Security staff immediately. Alternatively seek advice from any of the festival organisers - wearing the Hi-Viz Festival tabard. Remember to keep well clear of the threat.

Bus Stop Henleaze Road
As in previous years we will be applying to close the bus stop near Parsons Bakery and have a temporary bus stop outside Costa for the duration of the Festival.

A Happy Christmas to all festivalgoers

Merry Christmas & Happy New Year!
