

Imre Végvári

Communication expert, curator, entrepreneur and manager, educator, mentor

With roots in marketing and communication, his clients include successful startups, SMEs, multinational companies, international organizations, state administrative and cultural bodies, institutions.

Having worked closely with Hungary's new majority movement between 2024-2026, he expanded his skills and experience to the field of movements, politics and governance.

He is credited with organizing the first **Hungarian Interactive Marketing Conference** event series. His concepts and projects have won all major national awards (Website of the Year, eFestival, Golden Blade, Creative Grand Prix.)

As curator and co-curator Imre has worked **with over 600 local and international speakers**, participated in the creation and management of several

TEDx event series:

TEDxDanubia

TEDxMetropolitan

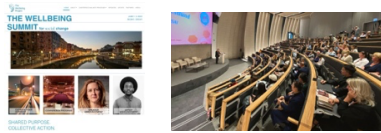

TEDxNeumann

TEDxBalaton

TEDxBudaors

TEDxDunapart

He managed the content curation of large-scale international events such as the:

- **CALICO** International Conference
- The **Wellbeing World Summit** in Bilbao, Spain
- The 14th World Congress of the **Regional Science Association International**

As an educator, he initiated and supervised several state-of-the-art trainings **NET-WORKS**, **SMARTMOBIL** and **BIG STAGE**.

A university lecturer, Imre conducts trainings in several higher education institutions and participates in the Milestone Institute's SPARK training program.

He has written a series of children's books (JÖVŐMENŐK) about the future which were nominated to the **International Bologna Children's Book Fair** among the best 10 national childlit publications.

Based on the series he has delivered future-based workshops for more than 3000 elementary school children in the UK, Hungary and Romania since 2016.
