

CHRISTMAS TREE LIGHTING

**Honor or Remember Someone Special
with a Commemorative Wreath**

Each Christmas season, the campus of Orchard Lake Schools is illuminated with light, tradition, and remembrance during our annual Christmas Tree Lighting. One of the most meaningful parts of this celebration is the display of **commemorative wreaths dedicated in honor or memory of those who hold a special place in our community and in our hearts.**

Families, alumni, faculty, and friends of Orchard Lake St. Mary's Preparatory are invited to sponsor a wreath that will be displayed as part of the 2026 Christmas Tree Lighting celebration.

IMPORTANT INFORMATION FOR EXISTING WREATH SPONSORS

As we prepare for the 2026 celebration, we will be replacing all existing wreaths due to lighting and wear issues. This update ensures every wreath shines beautifully for the Christmas season. We have made every attempt to find a replacement wreath that will stand up to the harsh winter weather. Wreaths must be ordered by April 24th to receive in time for this year's Christmas Season.

WREATH SPONSORSHIP | \$100

Each wreath dedication will include recognition for the person being honored.

Examples: **IN MEMORY OF JOHN SMITH '75 | IN HONOR OF MARY JOHNSON, BELOVED**

**Join us in filling the Christmas Tree Lighting with memories, gratitude,
and the enduring spirit of the Orchard Lake community.**

RESERVE OR RENEW YOUR WREATH

For more information or to sponsor a wreath, scan the QR code or email Stephanie Gonzales at sgonzales@orchardlakeschools.com.
