

## John Park

### PARTNER

John Park brings a unique blend of corporate healthcare and startup experience to Lemhi and was a co-founder of Definity Health with Tony Miller and Kyle Rolfing.

John most recently served as the VP of Strategic Business Development and Chief Transformation Officer for Stella Diversified. John joined Stella (parent organization to BCBS MN) in 2019, bringing more than 25 years of experience inside both startups and large corporations focused on strategy development, innovation, business development and corporate venture. John also served on the Board of directors in BCBS MN's joint venture with North Memorial Health System.

Prior to joining Stella, John was managing director at Echo Health Ventures in Durham, North Carolina, a collaboration in corporate venture capital between BCBS NC and Cambia. John was responsible for building and leading the market development and advisory functions for EHV and successfully led the execution of 16 contracts between the parent and portfolio companies.

Park has also held leadership, strategy and innovation positions at Alegeus Technologies, Ceridian, Cigna, and Fidelity Investments.

John earned his undergraduate and master's degrees in electrical engineering and computer science from the Massachusetts Institute of Technology.
