od by ***** WOW!!! I get this problem just after installed Wanscam Wanscam software ocx setup downlod by ***** the same error keeps on coming in a loop. when i click on "ok" i can see the file was installed successfully and then error says "failed to open ocx" please can anyone help me to solve this problem norman 09-24-2006, 09:41 PM Hi, Your problem is almost the same as mine. You can't install Wanscam. You are the first person who has this problem after upgrading. Try to reinstall the product. Best, Igor tanm 09-26-2006, 05:16 PM thanks for the reply. i am still having the same problem. please can you suggest me what to do. what i did is i installed wanscam with a netbook, then i upgraded my pc with full version. so now i have a problem of this software is activated or not and i cant install it. thanks for your reply 09-27-2006, 07:19 PM You can't install Wanscam because the files were not copied. kenneth 10-02-2006, 02:32 AM sorry to bother u again i know that u have changed ur nick and i m sorry to be a bother but this is the first time that i get a reply form u about my previous email i sent u. i think that i have not given u the correct email address. can u provide me the new email address 10-02-2006, 03:23 PM can 520fdb1ae7
