

FROM THE DESK OF LYNDA KOSCO
EXECUTIVE ASSISTANT TO THE HEADMASTER

February 2020

Dear Parents,

If you have more than one student attending St. Mary's Prep in the fall, you only need to fill out **one** Parent/Student Involvement Agreement (PIP Contract) for the 2020-2021 school year. Please make sure that you include all students' names at the top of the page and that they all sign the bottom of the page.

All students are required to volunteer 10 student hours at the Polish Country Fair in May.

Parents are required to volunteer a total of 40 parent hours during the school year (a minimum of 10 hours at the Auction in November, a minimum of 20 hours at the Polish Country Fair (PCF) in May and 10 MISC at various sporting events throughout the school year **or** any extra hours volunteered at the Auction and/or PCF will automatically be applied to MISC hours.

Single parents may request that their hours be cut in half by sending a letter to my attention at St. Mary's.

Please make sure that you create a volunteer page for every member of your family (including your son) who volunteers at St. Mary's. This is where we will record your volunteer hours. Go to www.stmarysprep.com/parents, click on the Volunteer box and create your pages on the left where it says "I am new to MyImpactPage.com".

If you have any questions, please email me at lkosco@stmarysprep.com.
