

Wedding Cakes ~ Guide Price List

Wedding Cake Pricing is dependant on a number of factors including the detail of your design, the chosen finish and number of servings required.

My signature cake style includes four layers of sponge that are layered with an equal measure of swiss meringue buttercream to ensure a delicious experience with every bite!

Each tier is approximately 4" tall and the price guide below is based on wedding cake pieces that are 1" x 1" in size. Should you wish to serve your wedding cake as dessert I would suggest servings that are 1" x 2" in size. You're welcome to contact me to get a 'no obligation' quotation for a stunning wedding cake that works within your budget!
