

To Whom It May Concern,

I have had the pleasure of knowing Hannah Sorensen professionally for the past year when she joined my team as a Part Time Stylist at Maurices. It was clear from the beginning she was going to thrive in her new position based on her determination to succeed and her desire to learn. She quickly mastered our service model and began making it her own through the positive relationships she created on the sales floor and with fellow team members.

Hannah is known on the team to be reliable, ambitious, compassionate and an excellent communicator. She demonstrates leadership qualities such as naturally training others, being able to drive results and taking an interest in the success of others and the team as a whole. These qualities supported in Hannah's advancement to our Management Team. Most recently, Hannah has shown to be adaptable and collaborative in her role by bringing the team together through virtual meetings.

In summary, I highly recommend Hannah for any position or endeavor she may seek to pursue. She will be a valuable asset for any organization.
