Four men plan a heist after learning about the location of \$100million - all made from illegal gambling. However, this soon gets leaked and immediately noticed by suspended police officer Vinayak Mahadevan (Ajith Kumar), a corrupt person full of vices.

Vinayak offers his services in return for a share of the money. Together the men executed the heist. However, with greed comes the folly of mistrust and deception.

A cat and mouse game ensues between all those involved...that concludes by breaking all the preconceived notions Tamil film audiences expected.
