Our Church Hall is our largest and most versatile space. It features high ceilings, stained-glass windows, and warm oak flooring. Natural light fills the room during the day, and the candelabras can create a beautiful candlelit atmosphere in the evening. Underfloor heating keeps the space comfortable all year round.

The layout is flexible, so the hall works well for formal dinners, community celebrations, concerts, rehearsals, lectures, and fitness or dance classes. A raised stage makes it ideal for performances and presentations.
