

RIDDLES FOR KIDS

Can you solve these puzzles?

What can run
but never walks,
Has a mouth
but never talks,
Has a head
but never weeps,
Has a bed
but never sleeps?

What grows when it eats,
but dies when it drinks?

I'm round as a globe,
as a feather I'm light;
I shine in the sunbeams
resplendent and bright.
I rival the rainbow
in richness of hue;
I live but a moment,
then vanish from view

What lives without a body,
Hears without ears,
Speaks without a mouth,
And is born in air?

We're very large
though we seem small,
We float on high
and rarely fall,
We shine like jewels
in the night,
But in the day are
hidden from sight.

Answers: A river, A fire, A bubble, An echo, The stars
