Associate – Insurance

We are working with a leading international law firm to recruit an experienced Associate to join its growing Insurance practice in the Cayman Islands**.** This is an excellent opportunity to work on complex, cross-border insurance and regulatory matters for a global client base.

Key Responsibilities

- Advise clients on Cayman insurance and reinsurance matters, including regulatory, transactional, and corporate issues.
- Support M&A transactions, restructurings, portfolio transfers, and insurance-linked securities matters.
- Draft and negotiate a range of legal and transactional documents.
- Manage day-to-day client relationships and assist with the delivery of practical, commercial legal advice.
- Collaborate with colleagues across multiple jurisdictions on complex cross-border matters.
- Contribute to business development initiatives and thought leadership activities.

Key Requirements

- Qualified lawyer in the Cayman Islands or another Commonwealth jurisdiction.
- Approximately 5+ years' post-qualification experience.
- Experience gained within a top-tier international or leading offshore law firm.
- Strong drafting, analytical, and client management skills.
- Insurance and financial services regulatory experience preferred.

To apply please send your résumé to caymanjobs@expertisegroup.com. All applications are handled in a confidential manner and in accordance with Expertise's Privacy Policy, available on our website.
