Senior Counsel - Insurance

Our client, a leading international law firm, is seeking an accomplished Senior Counsel to join its Insurance practice in the Cayman Islands. This role offers the opportunity to lead complex mandates, build strategic client relationships, and help shape the continued growth of a market-leading practice.

Key Responsibilities

- Lead complex insurance, reinsurance, regulatory, and transactional matters for global clients.
- Provide strategic advice on governance, solvency, restructurings, M&A, captives, SPCs, PICs, and insurance-linked securities transactions.
- Develop and maintain strong client relationships while contributing to business development efforts.
- Manage and supervise junior lawyers, providing mentorship and technical guidance.
- Collaborate with colleagues across international offices on cross-border initiatives and client matters.
- Support the growth and strategic development of the Insurance practice.

Key Requirements

- Qualified lawyer in the Cayman Islands or another Commonwealth jurisdiction.
- Minimum 8 years' post-qualification experience.
- Background with a top-tier international or leading offshore law firm.
- Strong technical expertise in insurance and reinsurance matters.
- Proven leadership, client relationship management, and business development experience.
