THE NU LIFELEVELS NOW

I am taught what I Now Know from The Real UNUversal Guides, The NUBeings of THE ALLLISSS, who are not mentioned in Standard Human History, because the Kontrolling Earthly Korporations (KEK) of the Political and Religious Regimes want to keep the population on this planet as Dumbed Down as possible. The Earthly Day & Nighttime Drama of 'Lifetimes of Drudgery' continues to attract most people to where they have no idea where they are in Creation nor what Creation is really all about. The 'LA LA Land Lovers' keep 'Thinking' with their Programed Minds they are getting somewhere on this planet, when in fact those who support the Kontrolling Systems are merely servants and slaves for those who create all the Laws and Restrictions to keep people 'Thinking' that they cannot do any better with their life than the Kontrol that has been decided by those who Rule & Restrict others.

Fortunately, there is so much more to The Whole of Life than what we are experiencing on this little planet. It is more than evident that this 'Place in Space' is Kompletely Kontrolled and Manipulated by those who do not care for The ALLNatural Environment and the people on it. You do have a choice, and I am going to lay out a NUOpportunity for YU, The RealU, and once YU Test The NU-U Sessions and learn to Watch Your DreamVisions, YU will start to WakeUP and Become MoreAware of what has RealValue and a RealBenefit aside from all that YU have been 'Marketed' with by the Ruling Systems of Demise.

The NU LifeLevels are an 'Actuality' even though YU were not taught what I am presenting in any school. As YU gain RealExperiences with Your DreamVisions and the Recognition of what is really taking place on the earth and in Your RealAwareness, YU will begin to fit all the little pieces of Your Life together and have a much better understanding of what is all around YU and Creation itself. Creation is not the ultimate, but merely a 'Process' all of us are going through to Recognize The TruReality LifeIS, THE ALLLISSS. Give yourself time to understand this NUPresentation by Reading The NUBooks and Singing The NU-U, as YU will WakeUP to what has been with YU and always in front of YU!

LIFELEVEL ONE / PHYSICAL REALM

This is where The RealU is born into a Created Material Body. Some people have the 'idea' that it is some god somewhere who created YU, but in the physical sense it was YU and the person YU came thru that has done the creating. LifeIS not about any type of 'Belief' but about what is really taking place here and with Yourself, The RealU, which YU will learn a lot more about as YU Have Fun Reading My NUBooks.

LIFELEVEL TWO / ASTRAL REALM

This is Your Astral or Emotional Body. The Astral Realm is known as the First Heaven of Man. Here is where most people end up after the Physical Body is exhausted. There is no 'Death' for us anywhere in Life, because we are actually a Being of RealLight that is brighter than any sun. The Whole Benefit of The NUPresentation is to provide the opportunity for YU & Everyone to WakeUP and Recognize themselves as so much more than just a human body growing old. Those who come to the Astral Worlds, which there are many levels, 'Think' this 'Place in Life' is the ultimate. There is a GovernorLord here and he will tell YU, just like the Politicians do on earth, that this 'heaven' is all there is and there is nothing beyond what YU will come to know here. If YU 'Agree' to this 'idea' from the GovernorLord, who also plays the role of a god in earthly terms, then YU have limited Yourself to an area of unawareness to where YU will eventually return to the earth or other RoundWorlds in an unconscious state of affairs again. This is always Your Choice and Decision. With RealExperiences with The RealGuides in Your

DreamVisions, YU will begin to See Beyond this LifeLevel to Greater LifeLevels where there IS RealFreedom, moreso than 'implied' freedom from gods and Kontrolling Earthly Korporations.

TapLining occurs on this LifeLevel without most people knowing what is taking place with the Effects of TapLining. ASStral TapLining is many centuries old and has been hidden and suppressed by the Religious and Political Systems who use this Method of Kontrol over many people. There are many references to ASStral TapLining in so many documents and doctrines, but it is disguised in such a way that most people cannot read the 'between the lines' to Recognize it. The Religious Orders are the first to use ASStral TapLining, because any 'Worship or Praying' to anything is a Kalaum Kontrolling Kult. The Invented Gods of Man are merely the GovernorLords on the Astral, Causal and Mental Realms who 'manage' those realms. They parade themselves as 'gods' because people will 'believe' them and worship them. It's all a hoax that has been taking place for thousands of years.

Human History on the Physical RoundWorlds have been bloody battle fields of conquests and takeovers. Those who decide to exalt themselves to the Power Plays of Rulership over others soon come to find out that in the Five PsycRealms there is Cause and Effect in Creation and they must deal with what they have created. No matter what a person 'Thinks' in their created mind, they will live the Effects of their Causes. People have invented 'Gods' and 'Thinking' these gods will protect them from any harm, because they Worship and Pray to them are sadly mistaken. This is what those who Kontrol the masses have bred people to 'Believe' and it is not so. 'Belief' is a Kontrolling aspect the Earthly

Korporations (EK) use to TapLine their MemberShrimps with in their dreams at night. Almost all Kontrolling Korporations do this as a means to have a Support System of Agreement. The Lords of Karma will deal with those who misuse their positions and there is no 'Plea Bargaining' like on the earth. All gods, masters, presidents, rulers, kings, queens, dictators and so many others like them are on the Astral, Causal and Mental Realms of Cause and Effect Creation.

There is a part of the Astral Realm that is termed as 'Hell' by the Kontrolling Religious Orders, that of the Lower ASStral Worlds. It is here that those who do dastardly deeds end up, because of their state of consciousness and their intent. I was raised this lifetime and previous ones by The Real UNUversal Guides, and as Paul Twitchell was given The Rod of Power in 1965 by ReblSar and he started a New Era of Awareness. After Paul left, Darwin and Harold were given the opportunity to expand upon what Paul created, but instead, they actually lowered his creation. By doing so they affected all the PsycRealm Levels. What Paul referred to as the 'Soul Plane' has now become the lesser part of the Etheric Level, that part that corresponds to the Lower ASStral Worlds of TapLining Kontrol. Those who 'Agree' to Worshiping and Praying to the Invented Gods of Man are TapLined by the Reptilian Aliens who have ruled the earth since the beginning. All the Political, Religious and even the Spiritual Systems are overly Kontrolled by TapLining and to some degree. It is The Seventh Level of The Real UNUversiss where RealFreedom IS, and not with any Kontrolling Earthly Korporation that has Worshiping MemberShrimps.

LIFELEVEL THREE / CAUSAL REALM

This LifeLevel corresponds to your third vehicle, which is the Memory Body. It is here that many PastLife Seeds and creations are kept until the time when they are enacted into the other bodies and eventually into the Physical Body as Effect. The 'Memories' of many pastlives are here and can be accessed by a person once they can Recognize how to do so. We are each the end result of all our experiences and what we have decided to be, and until we Totally Recognize ourselves as a Free Being of Light and burn off all the Karmic Effects, we are held to those Effects until we do WakeUP and Become MoreAware. The function of the Causal Body is as a 'reference' to what we have experienced so that we can learn to make Better Choices, until we are ready to have the ability to Compare and Recognize what we have come thru as Creation, then apply this to Recognizing The TruReality LifeIS, THE IS. This usually takes millions of lifetimes to accomplish.

**The RealGuides are not there
to fulfill all your wishes.
The RealGuides teach you
to become more aware.**

LIFELEVEL FOUR / MENTAL REALM

The Mind of Man corresponds to this LifeLevel. The RoundWorlds are ruled by the Mind and those who have learned to Kontrol others using various tactics of the Mind and Emotions to do so. Because the Five PsycVehicles are actually an encumbrance to The RealU, it is very difficult to See Beyond what Creation is all about and its TruPurpose. The RealGuides have a Great Compassion for those in the Psyc- Realms, but at the same time when a person continues to not 'Listen' to them and continues to do 'silly things' that harm themselves and others as each person is going thru their Creation Process, they step in and 'Protect' those who do Listen. This LifeLevel is known as the Second Heaven of Man. There are many heavens in the PsycRealms and most people focus on the two basic ones, that of the Astral and Mental Realms and Worlds. These are more 'Places in Life' and are far more beautiful than anything that can be found on the earth or other worlds and planets. Here is where the Designated Lord God resides, the Kalaum God of Politics and Religion. He is a Reptilian Ruler and can disguise himself as anything he wants to as he often does, to fool those who come before him. He 'Expects' the unaware to kneel and bow and demands that people Worship and Pray to him. He is the Dualistic Power Pole of the PsycRealms, that of Cause and Effect. He is exalted as the 'Creator' of Time and Space, and this is the reason people have been taught to 'look up' into the sky, which is really black space, and search for him. He is the 'Space God' who is behind the clouds somewhere, but actually is not. He is a 'Mystery' to

most of the unaware, but to The RealAware, The Real UNUversal Guides, the Kalaum God is no mystery. He is a GovernorLord and has been given the assignment to 'manage' the Mental Realm. Most unaware souls are TapLined and Trapped by him to stay in Creation, and continue to be a slave on the RoundWorlds in Time and Space.

LIFELEVEL FIVE / ETHERIC REALM

This is the fifth vehicle, the Etheric Body. This is also part of the Subconscious Side of people that is not really understood by the so-called professionals. Parts of the Etheric level are storehouses for a lot of desires, likes, dislikes, dream imagery and so much more from those who are going thru the Creation Process. This LifeLevel has to do with a lot of the Effects people experience from the Causes they have created, as this is the reason for the invention of Psychiatry. This LifeLevel is also the first part of the Dividing Line between the PsycRealms and The Real UNUversiss of THE ALLLISS. The upper part of this level is where The RealU is prepared to leave the PsycRealms and enter into The TruReality LifeS. The RealGuides will prepare YU to leave all the Five Bodies and enter The Seventh LifeLevel in Your RealAwareness. When YU exit the Five Bodies, YU See Yourself as a Being of Light. YU then Recognize that YU do not need any mind or emotions or any baggage from all that YU have experienced. YU are Now who YU really are as a Being of Light ready to have a RealLife!

LIFELEVEL SIX / THE DEEP DARK BORDER

This arena is the end of all existence to the Belief Systems who are focused on the Kalaum God on the Mental Level. This is the 'Void' area and to some the idea of 'Nirvana' where a person blanks their mind of everything. The Deep Dark Border is necessary to divide the PsycRealms from The Real UNUversiss of THE ALLLISSS. To most, there is nothing beyond the Gods of Man, which is the Fourth LifeLevel in the PsycRealms. This is understandable, because those who are educated on the RoundWorlds are put thru a Militarized Training to become 'Stooges' for the OneWorld Order of Kontrolling DarkBrats. As YU pass thru the darkness, YU See the Radiant Being of The Real Guide who is with YU. It would 'seem' that there can be nothing else that can exist, but there IS! As YU continue on, YU soon come to...

LIFELEVEL SEVEN / THE FIRST REAL UNIVERSE

As The RealU, YU are Now entering The TruReality LifeIS, The Sound Light ALLAlivenisss of THE ALLLISSS. The Old Terms such as 'spiritual, soul, divine, god, saviors and others, along with the Old Words of OM, AUM, HU, no longer apply here. The Old Terms and Words are in the PsycRealms of Time and Space and are mainly TapLining people to stay stuck in Creation. When Paul Twitchell was given The Rod of Power in 1965, the HU Word was a connection to this LifeLevel, but when Darwin, and then especially with HarOld and his Reptilian Mate Joanny took over, they completely abolished The RealConnection to The Real UNUversisss, which was the Fifth Level at the time. HarOld and SHE have ruined, for themselves and the MemberShrimps, The RealConnection to THE ALLLISSS. Paul also referred to the 'Sugmad' which was the next step towards the WakeUP Call for THE ALLLISSS. The HU Word, Mahanta, Sugmad, Eck Masters and other terms and phrases are TapLines to the Lower ASStral Realm, because of all the Kontrol Reptilian Joanny and HER Vampire Squad have created. The Blinded MemberShrimps are fed the 'Godly Love' notions, which are Direct TapLines to those in 'Agreement' to Master Harry and KRONE. When YU Test The NU-U Sessions and Sincerely Pay Attention to Your DreamVisions, YU will be shown 'What IS Real Now!' YU must always Take The Risk to See Beyond everything YU have ever known!

BEYOND THE SEVENTH LIFELEVEL

On The Seventh LifeLevel, YU will meet The Great OverSeer, HE who SEES over ALL THAT IS. HE has many names and YU will learn HIS TruName when YU Recognize HIM. Beyond The Seventh LifeLevel there are Endliss Invisible UNUversiss that are truly indescribable. Paul gave reference to many other levels, but I will not do this, because ALLLife IS Now, and each Being who enters The Seventh LifeLevel and beyond will have their own RealExperiences, moreso than whatever Paul described in the past. The words, phrases, ideas and imaginings of those who have Kontrolling Earthly Korporations in the PsycRealms has nothing to do with The Real UNUversiss of THE ALLLISS NOW. RebISar & The RealGuides guard the entrance to The Seventh LifeLevel, so I suggest to contact them for RealFreedom.

LIFE IS ALWAYS NOW... THIS IS REAL! YU are Now in Creation and YU have no Real idea where YU are at, but YU will if YU take the time to Read this NUBook and the other ones I have written. YU, The RealU, is looking for The TruReality Life IS, and all along YU have been marketed into 'Thinking' the Gods of Man are The TruSource, when actually they are very far from IT. In Time and Space YU have drug all your pastlife baggage with YU to this very moment and YU still cannot figure out why. Your parents, teachers, and the Authoritarians have been telling and training YU about the 'Deceptions' they have created as their reality. YU have 'Convinced' yourself that what they have been telling YU is all there is. Look around YU at this Polluted Planet and all those who are doing The ALLNatural Environment harm every moment... Dose it really make the least bit of sense to YU? YU can decide whatever YU want to and also Become MoreAware than YU ever have before. Life IS So Much Bigger than what YU know here.

The masses have been so 'Deceived' by the Self-Appointed Kings and Queens, Presidents and Dictators, and have lost sight of anything 'Sensible' and are usually looking to some form of 'Government' to come to their rescue, when it has all been a Perpetuated Lie to steal what people have worked hard for. The Diplomacy of today is nothing more than Self-Interest People looking to themselves to be noticed by what they deem to be the Lower Class, which they have decided and designated to be so. All the

Singing 'NU-U'... I was at a Beautiful Lake filled with White Light with White Mountains Brilliantly in the background and a White Sky Showering US with Sparkly Light. Then, Two White Swans floated together to form a Heart with their bills & necks.

Singing 'NU~U'... I found Myself and My Cousin walking on a Beautiful Sunny Beach. The water was Sparkling Blue with gentle waves. We each carried a SurfBoard. He turned to Me and said, "This place is Really Cool... Where are WE?" I Said, "With The RealSide!"

Singing 'NU~U'... Harry Klump (Harold Klemp) with Reptilian Joanee (Joan Klemp) appeared. Harry floated to me as I watched him very carefully. In His Scrawny Hands was a Red TapLine, then He attached the TapLine to My upper left arm. He seemed to be in a trance and looked extremely thin. He looked like a starving person with a baggy dark suit and Motionless Face. I told Him to remove the TapLine! He could not hear Me, as He only listens to Joanee. Harry was Hypnotized. I tried screaming, but He never heard Me. Reptilian Joanne called Him to HER and they left!

Eckists who 'think' Harry hears Them are mistaken. He will never hear them because He does Not care. He only Hears & Obeys Reptilian Joanee.

I Sang 'N~U~U~U' and the TapLine Disappeared.
