{Intro}

[Verse 1]

Somebody's gonna hurt someone
Before the night is through
Somebody's gonna come undone
There's nothin' we can do
Everybody wants to touch somebody
If it takes all night
Everybody wants to take a little chance
Make it come out right

[Chorus]

There's gonna be a heartache tonight
A heartache tonight, I know
There's gonna be a heartache tonight
A heartache tonight, I know
Lord, I know

[Verse 2]

Some people like to stay out late
Some folks can't hold out that long
But nobody wants to go home now
There's too much goin' on
This night is gonna last forever
Last all, last all summer long
Some time before the sun comes up
The radio is gonna play that song

[Chorus]

There's gonna be a heartache tonight
A heartache tonight, I know
There's gonna be a heartache tonight
A heartache tonight, I know
Lord, I know

There's gonna be a heartache tonight
The moon's shinin' bright
So turn out the light and we'll get it right
There's gonna be a heartache tonight
A heartache tonight, I know
Heartache, baby

{Instrumental Bridge}

[Verse 1]

Somebody's gonna hurt someone, (somebody)
Before the night is through
Somebody's gonna come undone
There's nothin' we can do
(Everybody) Everybody wants to touch somebody
If it takes all night
Everybody wants to take a little chance
To make it come out right

[Chorus]

There's gonna be a heartache tonight
A heartache tonight, I know
There's gonna be a heartache tonight
A heartache tonight, I know
Let's go

We can beat around the bushes;
We can get down to the **bone**
We can leave it in the parkin' lot
But either way, there's gonna be a
Heartache tonight, a heartache tonight, I know (Lord,
I know)
There'll be a heartache tonight

A heartache tonight, I know
Woohoo!!!

{Outro}
(Break my heart)
