[Verse 1: Don Henley]

On a dark desert highway

Cool wind in my hair

Warm smell of colitas

Rising up through the air

Up ahead in the distance

I saw a shimmering light

My **head** grew heavy and my sight grew dim

I had to stop for the night

There she stood in the doorway

I heard the mission bell

And I was thinking to myself

"This could be Heaven or this could be **Hell**"

Then she lit up a candle

And she showed me the way

There were voices down the corridor

I thought I heard them say

[Chorus: Don Henley]

"Welcome to the Hotel California
Such a lovely place (Such a lovely place)
Such a lovely face
Plenty of room at the Hotel California
Any time of year (Any time of year)
You can find it here"

[Verse 2: Don Henley]

Her mind is Tiffany-twisted
She got the Mercedes Benz
She got a lot of pretty, pretty boys
She calls friends
How they dance in the courtyard
Sweet summer sweat
Some dance to remember
Some dance to forget
So I called up the Captain
"Please bring me my wine"

He said, "We haven't had that spirit here since 1969"
And still those voices are calling from far away
Wake you up in the middle of the night
Just to hear them say

[Chorus: Don Henley]

"Welcome to the Hotel California

Such a lovely place (Such a lovely place)
Such a lovely face
They living it up at the Hotel California
What a nice surprise (what a nice surprise)
Bring your alibis"

[Verse 3: Don Henley]

Mirrors on the ceiling
The pink champagne on ice
And she said: "We are all just prisoners here
Of our own device"
And in the master's chambers
They gathered for the feast
They **stab** it with their steely knives
But they just can't **kill** the beast
Last thing I remember, I was
Running for the door
I had to find the passage back
To the place I was before
"Relax," said the night man
"We are programmed to receive
You can check out any time you like
But you can never leave!"
