

# Eagles - One of These Nights

[Spicy Filters from BeWellPlayed.com](http://BeWellPlayed.com)

## [Verse 1]

One of these nights  
One of these crazy old nights  
We're gonna find out, pretty mama  
What turns on your lights  
The full moon is calling, the fever is high  
And the wicked wind whispers and moans  
You got your demons and you got desires  
Well, I got a few of my own

## [Chorus]

Ooh, someone to be kind to  
In between the dark and the light  
Ooh, coming right behind you  
Swear I'm gonna find you one of these nights

## [Verse 2]

One of these dreams  
One of these lost and lonely dreams, now

We're gonna find one  
Oh, one that really screams  
I've been searching for the daughter of the devil  
himself  
I've been searching for an angel in white  
I've been waiting for a woman who's a little of both  
And I can feel her but she's nowhere in sight

### **[Chorus]**

Ooh, loneliness will blind you  
In between the wrong and the right (oh, oh, oh)  
Ooh, coming right behind you  
Swear I'm gonna find you one of these nights

### **[Outro]**

One of these nights  
In between the dark and the light  
Coming right behind you  
Swear I'm gonna find you  
Get you baby one of these nights  
One of these nights  
Hoo, hoo hoo  
Hoo, hoo hoo  
One of these nights  
I, I can feel it

I can feel it  
One of these nights  
Coming right behind you  
Swear I'm gonna find you now  
One of these nights  
Baby, so don't, don't  
I'm all alone  
One of these nights  
One of these crazy, crazy, crazy nights  
One of these nights  
Swear I'm gonna find you  
Coming right behind you  
One of these nights  
Hoo, hoo hoo hoo hoo  
One of these nights  
All I wanna say, ahhh  
One of these nights
