

Eagles - The Sad Cafe

[Spicy Filters from BeWellPlayed.com](http://BeWellPlayed.com)

[Verse 1]

Out in the shiny night, the rain was softly falling
Tracks that ran down the boulevard had all been
washed away

Out of the silver light, the past came softly calling
And I remember the times we spent inside the Sad
Café

Oh, it seemed like a holy place, protected by amazing
grace

And we would sing right out loud, the things we could
not say

We thought we could change this world with words
like "love" and "freedom"

We were part of the lonely crowd inside the Sad Café

[Chorus]

Oh, expecting to fly

We would meet on that beautiful shore in the sweet

by and by

[Verse 2]

Some of their dreams came true, some just passed
away

And some of them stayed behind, inside the Sad
Café

{Acoustic Solo}

[Bridge]

The clouds rolled in and hid that shore
Now that Glory Train, it don't stop here no more
Now I look at the years gone by and wonder at the
powers that be
I don't know why fortune smiles on some and let's the
rest go free

[Verse 3]

Maybe the time has drawn the faces I recall
But things in this life change very slowly if they ever
change at all

No use in asking why, it just turned out that way
So meet me at midnight baby inside the Sad Café
Why don't you meet me at midnight, baby, inside the

Sad Café

{Saxophone Solo}
