

Eagles - Wasted Time

[Verse]

Well baby, there you stand
With your little **head**, down in your hand
Oh, my God, you can't believe
It's happening again
Your baby's gone and you're all alone
And it looks like the end

And you're back out on the street
And you're trying to remember
How do you start it over?
You don't know if you can
You don't care much for a stranger's touch
But you can't hold your man

You never thought you'd be alone
This far down the line
And I know what's been on your mind
You're afraid it's all been wasted time

The autumn leaves have got you thinking
About the first time that you fell
You didn't love the boy too much, no, no
You just loved the boy too well, farewell
So you live from day to day, and you dream
About tomorrow, oh

And the hours go by like minutes
And the shadows come to stay
So you take a little something
To make them go away

And I could have done so many things, baby
If I could only stop my mind from wondering what
I left behind and from worrying about this wasted
time

Ooh, another love has come and gone
Ooh, and the years keep rushing on
I remember what you told me
Before you went out on your own
"Sometimes to keep it together
You got to leave it alone"

So you can get on with your search, baby

And I can get on with mine
And maybe someday we will find
That it wasn't really wasted time

[Outro]

Mm,hm

Oh hoo, ooh, oh

Ooh,ooh, mm
