

Please relax and enjoy the beautiful view. All our meals are prepared to order and we strive to exceed your expectations. As a waterfront establishment, our outdoor deck fills up quickly in the evening hours and there may be a delay when several large orders are placed at once. We appreciate your patience and welcome your feedback. If our team has not met your expectations, please offer us an opportunity to address any issues while you are here. A gratuity of 20% will be added to any parties of 6 or more.
