

BULLSHIT TWO is a compilation of tapes that peop
to us over the last year - we haven't attempted
t the sound, the tracks are just as we received t
ected them not so much for what they sounded lik
at they said - we sent back some tapes because o
ty, it was generally because the vocals were too
the words distinguishable - (if you're going to
e of a band it is worth checking that the vocals
ough before you get down to serious recording).
some people complained that the last Bullshit wa
