THINGS TO DO

With over 4,000 years of history, Athens has lots to offer whether you're interested in archaeology, shopping or food. When each day ends at *Momentum*, you'll have plenty to [see and do](#). Here are some of our picks:

1. **The Parthenon:**

A must-see in Greece, the Parthenon was dedicated to the goddess Athena and is one of the structures atop the Acropolis – a hilltop citadel in the centre of Athens.

2. **The National Archaeological Museum:**

The largest archaeological museum in Greece and home to some of the most important ancient Greek art and artefacts.

3. **Dinner in the Sky®:**

This unique dining experience takes you up to 50 metres above the centre of Athens. Aboard your slowly rotating table, you'll enjoy exceptional food along with breathtaking views of the cityscape.

Please check your **back office** and the **Momentum event website** for additional updates to the agenda and travel options.

We'll update our social media pages as *Momentum* gets closer, so be sure to like the **WorldVentures Facebook page** and follow us on **Twitter** for last-minute reminders.
