Job interest forms are utilized so that we may notify you of a specific recruitment opening. The Forms are kept on file for six months. If/when recruitment is opened you will receive an e-mail notifying you of the opening with an attachment for the job announcement. At that time applications will be accepted based on the job announcement information which will also contain information on the application and the process. If you are truly interested in working (*or volunteering*) for the Western Carteret Fire & EMS Department it is your responsibility to continue to update with a new interest card and updated information every few months.
