## Alternative learning center austin tx

The Alternative Learning Center is a school community based on second chances. We believe that every student desires and deserves to achieve their greatest potential, regardless of their previous mistakes. Through counselling and social-emotional learning, our students will be able to work through their behaviors and learn coping strategies for when they return to their schools at home. NOTE: The inclusion or exclusion of a school in this locator is NOT an endorsement of the school and should NOT be used in any way to conclude the school's accreditation status.
