Foreword

All these song notes are for my dear music friends personal use , many friends are familiar with western sheet music notation only, so I tried to prepare this notation book include Chinese number notation and western sheet music together in different key. If you want to practice these songs with original back track music,please use the same key notation of original music. If you want to perform these song for commercial use,please contact composers and other copyright holders.Any suggestion, please feedback me, Thanks!

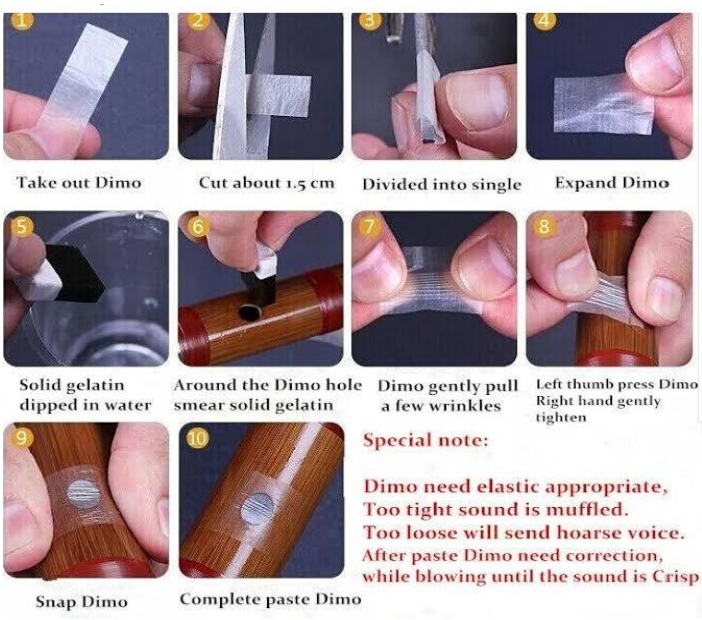
How to paste dizi membrane(suggest to replace each week),membrane quality affect sound quality.



How to separate dizi flute with copper joint

Hold both sides and rotate gently. Pay attention to the hands hold position should close to copper joint.If you feel it is a bit tight to separate special in cold winter, warm the copper joint and rotate gently to separate, then add Vaseline on copper joint(each month) to avoid copper joint oxidation.
