1.1 Course Description

This one month course will give students a chance to immerse themselves in Yoga. They will develop their understanding and build a strong foundation in both theoretical knowledge and practical experience in order to feel confident to teach a Vinyasa Yoga class at a high standard.

The course will include:

Teaching methodology, i.e. teaching techniques, how to sequence, adjustments, demonstrations, different teaching styles, different methods of teaching, how to cue, modifying classes, how to teach privates, level 1, and all levels classes.

Developing practice i.e. asanas from Ashtanga primary series, pranayama, bandhas, dristhi, meditation, mantras, yoga nidra, Sanskrit, chanting.

Anatomy and physiology i.e. anatomy and physiology, energetic anatomy (nadis, prana, chakra, ect.), injuries and how to prevent them, health and healing.

Philosophy and history of Yoga i.e. history of Yoga, Yoga sutras, Ashtanga Vinyasa Yoga and the 8 limb path, Ayurvedic lifestyle, ancient texts, Yoga philosophies and incorporating them into daily life.

Practical aspects of Yoga teaching i.e. the business of Yoga, how to market, find a yoga space, where to start, teacher etiquette.

1.2 Course Objectives

-trainees will be able to lead a Vinyasa Yoga class to an all levels group feeling confident in both delivering the class and making adjustments and modifications

-trainees will feel confident developing their own sequence and how to modify a class to meet all students needs

-trainees will develop their own practice and have a solid understanding of how to teach asana, pranayama, meditation, bandhas, and dristhi

-trainees will be knowledgeable about the history and philosophy of Yoga, with a strong focus on Ashtanga Vinyasa Yoga

-trainees will have a good understanding about the business of Yoga teaching

1.4 Materials

The course will provide the full manual which will match the modules set out in the syllabus. Students will be required to read several texts as prerequisites.

1.5 Prerequisites

Practitioners are required to have at very minimum 2 years of strong continual yoga practice before being accepted on the training course. It is helpful to have basic understanding about the philosophy of yoga and in general the style they would like to pursue. The 200 hour is very solid foundation course and will be a good base to continue to build upon. Students must have a willingness to learn and to develop their own practice. Students will be required to read several texts as prerequisites.

1.6 Evaluation Procedure & Grading Criteria

1 essay based on the philosophy of Yoga

Practical Exam- leading a whole class

Written Exam- test which will cover all modules

1.7 Course Schedule

The course will begin with introductions the evening of 25 March 2018, with teaching beginning on the morning of 26 March 2018.

The course will be taught with 20 days of 9 hours of classes, making a total of 180 hours of contact teaching time.

25 March – 20 April 2018

15 hours of anatomy will be taught over 3 of the course days, in blocks of 5 hours, making a total of 15 hours of teaching.

The course will run every day 26 March – 19 April inclusive, except on Sunday 1 April, Saturday and Sunday 7 & 8 April, and Saturday and Sunday 14 & 15 April which are kept free for rest & relaxation.

1.8 Attendance

Trainees should attend a minimum of 90% of the course. Should trainees miss more than this minimum, e.g. in the case of illness, they will need to agree with the teacher on which modules to re-take. TWM reserves the right to charge additional fees for these catch up modules, which will need to be undertaken at a future Yoga Teacher Training at Tribewanted Monestevole, or by special arrangement with Erin Prichard, in London.

1.9 Accreditation

TWM has met the stringent requirements set by Yoga Alliance Professionals, demonstrating that the course is of the highest standard and that our graduates may use the title 'Registered Yoga Teacher' RYT as a sign of quality training when they register themselves with Yoga Alliance Professionals.
