# Orphan Games

## *Specifications for the different sports events:*

Sprints – Time measured from start to finish of the race.

Jumping – Measurement made from the beginning of the jump.

Throwing – Measurement of who throws the furthest.

Relays – Two girls run twenty meters to a flagpole, then turn around and run back – upon return, girls will hand over a baton to their male teammate, who will repeat the same task.

Times will be based on team performance.

## **General Organization**

- One referee: responsible for the competition and in charge of time keeping
- One competition recorder per team
- One assistant: in charge of the scoring table

## *Personnel needed for the following events:*

- Sprint: 1 starter, 3 timekeepers, 3 linesmen (finishing line)
- Jumping: 3 judges per event station
- Throwing: 3 judges per event station

## *For sprint relays:*

- Entire jury for sprint, 6 judges for exchange

## **Required Equipment**

Carrying out this competition requires certain athletic materials and preparations:

- A straight line for sprint and a track with lanes for middle distance running.
- A sand pit for jumping.
- A throwing platform with non-temporary materials (concrete) of 2m50 in diameter.
- Throwing implements (3 shotputs).
- One or several stopwatches.
- One or several measuring tapes.
- Several markers for the throwing area.

# Orphan Games

These athletic events are based on the “IAAF Kids Athletics” program for athletic competition.
