The Blue Flag Certificate was awarded to 8 beaches scattered across 5 states and 2 union territories, Namely: Shivrampur Beach (Gujarat)Gogla Beach (Diu)Kasarkod Beach (Karnataka)Padubidi Beach (Karnataka)Cap Beach Paid (Kerala)Rushikonda Beach (Andhra Pradesh)Golden Beach (Odisha) and Radhanagar Beach (Andaman and Nicobar Islands)These beaches were recognized by an international jury , the United Nations World Tourism Organization (UNWTO), a Danish-based non-governmental organization, the Foundation for Environmental Education (FEE) and the International Union for Conservation of Nature (IUCN). What is Blue Flag Certification? The famous Blue Flag is one of the world's most recognized voluntary eco-labels, awarded to beaches, marinas and sustainable boat tourism operators. The Blue Flag certification is a world-recognized eco-labelling provided by the Environmental Education Foundation, Denmark, based on 33 strict criteria for four key leaders: environmental education and information, bathing water quality, environmental management and environmental protection, and safety and services on beaches. India has so far had none of its beaches labeled as the Blue Flag. As a result, India became the first country in the Asia-Pacific region to achieve this success in just two years. Japan, Korea and UAE the only other Asian countries that were granted with a pair of Blue Flag beaches, however, in terms of five to six years. Spain, so far, has number of Blue Flag certified sites. Important note: India has also been awarded the 3rd Jury Prize as part of the International Best Practices for Combating Pollution in Coastal Areas. Sponsored links Read more...
