Multiplayer quests allow you to join forces with two other players to bring down mighty enemies and earn fabulous rewards!----- History ----- -Darkness converges on us, and the world is collapsing before our eyes... What was once a sanctuary for the weary has now become a battleground. Once upon a time, the deities Spiritus and Materia are the devout fabrics of time and space to create a new world-world that they inhabited warriors from other worlds. These men and women were forced to fight day and night without a reprieve, and the tension of the endless battle soon became too great. With battered bodies and broken spirits, they sent out a cry for help... Version 1.18.0- The artifact system has been updated with new elements and features! - With the active Mooglee Pass, you can now get guaranteed red liabilities when acquiring passive abilities from high eidoja.- HP bar enemies will now show the remaining health percentage left. - Hard mode is now unlocked from the start on some field maps.
