Club 2023

Club Membership has reached "101". We have been rejoined by **Dane Barrett** and new members **Maele Bourdais**, **Tom Bartlett** and **Sue Bussell**, from Denmark WA, as 2nd Claim Member. Members, please contact **Todd Taylor** to collect your brand-new **Equinox** sponsored **BusseLton Masters** swim caps that arrived last week. Please support the **Equinox** and say hello to manager Dave Ebert.

News

How important is a 50m pool? Local member **Libby Mettam** ran a survey recently and asked, *What single problem needed resolving in the community*, and the clear majority of residents said it was a 50 metre swimming pool. Solving this won't be a quick. I'll keep you posted as the City updates the 2017 GLC Strategy to decide next steps. We must all maintain the pressure as we talk to our networks and especially Councilors.

At our invitation, **Sue Gliddon** EO from **Masters Swimming** came down last weekend. Thanks to 25 of you who came to the GBYC and listened, asked questions and also had dinner (Friday) and coffee with her at the Par 3 after the first CCC on Saturday. Sue was amazed at our Clubs membership, the number of swim sessions we hold and especially, our social activity.

Major items of discussion at the meeting 30th August

- Welcoming Sue Hart as Secretary

- 2023 RESTART program - opportunity to link with the Jetty Swim

- Club Safety procedures at the beach when we swim as a Club.

- AGM Oct 14 - Fees for 2024

- Setting the summer bookings at the GLC

News

Well done **Colin Holden**, winning the monthly **Bold & Beautiful, Budgy Smugglers** \$100 prize.

Swims

Steve Gibson and **Julie O'Connor** ran the first weekend of our defense of the “**CCC**” Busselton Masters Carnival. They were supported by volunteer timekeepers too. Over 20 members swam for points and accolades. Niamh H and Pete Pav started off with two records each and the rest of us watched in awe. Remember the next session is the short (50, 100m) course events, ending with the Relays and BBQ Breakfast of Bacon and Egg Burgers. Simon will be looking for cooks and helpers for this breakfast! Contact Steve/Julie to attend an alternative session to do 50/100m and to volunteer to time keep? **Albemarle** is our sponsor for this event and supported all of our Saturday swims this winter, including Andrews Stroke Clinics.

If you are unable to swim on CCC Saturdays please contact Julie or Steve through the club email or another coach to get yourself timed.

BMSC Geobay (11/11/23) teams are taking shape. Please let us know if you are in a team, or want to be? As part of the summer preparation, Steve's also written a guide to long distance training. A few of us have been trying it out on Sundays. Its in this Newsletter – in his own words.

Social

September has a new run of Socials planned after a wonderful **Big Day Out** two weeks ago. Coming up is Cowaramup bike ride, Flinders Bay swim and much more.

Sunscreen Remember that the sun is getting high in the sky now and you can get complementary sunscreen at the GLC on the way in. Gail has included information about the Sunsmart weather app which is great to use!

Next Committee meeting is 18th October – after the Clubs AGM on the 14th October. Please talk to Committee members, Sue H the Secretary or myself about issues you'd like raised.

Country Correspondence Carnival – July to September

Dear Busselton Masters,

We are excited to announce the much-anticipated Country Correspondence Carnival (CCC), hosted by Masters Swimming WA, is here again! Please remember Busso Masters won last year and we have a title to defend!

This event is a fantastic opportunity for our regional club to come together and showcase our swimming prowess against other clubs who, like us, face challenges in attending metropolitan carnivals.

Running over three months from July to September, the CCC allows swimmers to compete in up to 8 individual timed swims and participate in up to 4 exhilarating relays. With 27 different individual swims to choose from, ranging from thrilling 50m sprints to challenging 1500m endurance swims, there's something for everyone. Even if you prefer Freestyle, there are 6 individual swims tailored just for you!

The emphasis of the CCC is on participation, camaraderie, and club spirit. While "speedies" can compete for CCC records, most of us take part for the joy of swimming and to earn valuable points for our beloved Busselton Masters Swimming Club. As we know from last year, every swim counts, and it was our collective effort that secured the title, narrowly beating Bunbury by just 9 points. Let's rally together and work hard to retain the championship this year!

To help everyone prepare and participate, we have three dedicated Saturday Cub training sessions planned:

Saturday, August 26: This session will feature timed 200m/400m swims. Just show up, and we'll time you. You'll have the opportunity to swim up to 3 timed swims, totaling 800m or less. Whether it's 200m in 3 different strokes, 2x200m + 1x400m, or 2x400m, there's a challenge for everyone.

Saturday, September 09: On this day, we'll focus on timed 50m/100m sprints. Simply turn up, and we'll place you in your preferred races alongside swimmers of similar speed. It's all about pushing yourself and having fun!

Saturday, September 23: This is our relay day! We'll send out an email closer to the date to gather availability as we aim to maximize the number of diverse relays we can put together. Last year, we managed an impressive 15 relays, and this year, we're aiming to surpass that and hit 20! Expect a day full of excitement, teamwork, and to top it off, a delicious BBQ.

If, for any reason, you cannot make it to the above dates but still wish to participate, or if you want to have extra individual or 800m/1500m swims timed, please reach out to one of our Busselton Masters Club coaches. Your participation matters, and we'll do our best to accommodate your schedule.

Even if you are unable to participate in the CCC and usually attend Saturday training, we encourage you to join us anyway. You can contribute by helping with time-keeping or simply enjoy swimming in a spare lane.

Let's make this year's Country Correspondence Carnival a memorable and successful one for our club. Together, we can defend our title and celebrate the joy of swimming, camaraderie, and the indomitable spirit of the Busselton Masters Swimming Club.

Swim strong and have fun!

Adapting to Long Distance Swimming

Idea is to swim at a moderate comfortable pace with great body position and awesome technique. Focus at end of each set that we keep our ^{body} position and speed equal to what it was at the beginning of that set.

The following plan is 50m @ 50seconds swim Time (ST) leaving on 1min - leave time (LT)

The ST and LT doesn't change, no matter the

| Distance | ST | LT | Rest |

| 200m | 3:20 | 4min | 40s |

This is Richard, Todd, Simon and Steve's Pace

| Brett & Niamh use 50m - | 45s | 1min |
| 100m - | 1:30 | 2min |

🌍🇬🇧 Exploring the UK and Scotland Adventures 🌍🏴󠁧󠁢󠁥󠁮󠁧󠁿

Hey friends! 🌞 Sarah and Sean here, checking in from our amazing adventure across the UK and Scotland! 🇬🇧🇬🇪 Today, we had our first taste of the chilly Scottish waters with a quick dip in the breathtaking Loch Lomond. 🌊🌊

Let's just say, the water was ICE-cold! 🥶❄️ It was a battle of wills to take that initial plunge, but once we were in, the refreshing feeling was absolutely invigorating. 💧 We might have had a bit of a shiver on the way out, but the stunning scenery around us made it all worth it. 🏞️

As if the chilly dip wasn't enough, the walk back to our accommodation was an adventure in itself!

😄 Picture us wrapped in towels, trotting along while sharing stories and laughing at our "post-swim" expressions. 🚶🚶

Oh, and speaking of company, we had the cutest little feathered friends keeping us company throughout our swim! 🐦🎵 It's like they were cheering us on from the sidelines. What a delightful surprise! 😊

Out and About

🇩🇪🌟 Pool Paradise in Landshut, Germany! 🇩🇪🌟🌞

Hey everyone, Sharon and Jorn here, reporting in from our incredible trip to Landshut, Germany! 🇩🇪 We couldn't resist showing you this pool gem that's left us drooling with excitement! 😍 We've been lucky to dive in twice already. 🌊 The water's so soft, it's like swimming in salted chocolate under UV-filtered sunshine. 🌞 And get this – the pool is made entirely of stainless steel! 🤖

With a steady 30°C temperature all week, it's been pure bliss. 😍 The aquatic options are endless: a dedicated 50m swimming pool patrolled by lifeguards, a 58m pool with four lanes, a diving pool, play pool, water slide pool, and even a bubbling relaxation pool. 🌊🌊🌊

And guess what? This isn't even the only one! 🌊 Just 5 kms away, the next town boasts the exact same pool setup. 🤖 The population of the four towns is around 70,000, having grown by 10,000 recently. Looks like the secret's out about this aquatic paradise!

We're soaking up every moment here, both in and out of the water. Stay tuned for more updates as we continue to explore this charming corner of Germany. Sending sunny vibes your way! 🌞🇩🇪

Ash's Avon Decent

Ash made it about 25kms into the second day, until her boat wrapped around a tree. She tried to tape it up but it ended up sinking a few kms after. 😞

Ash still had such a great weekend and still made is nearly 80km in 2 days so she was happy to call that a win!

2024 will be Ash's year!

A very positive response! Plus stunning scenery all of the way! 🌞

Times were slow in 2023. Due to the difficult conditions with lower water flows.

Name Our Club

We are looking for ideas on a name for our club! A less formal title. We will always be Busselton Masters Swimming Club Inc. However, we need something catchy, zippy and more in tune with our image!

We need a new name! Have you got any ideas? Maybe stay away from the shark ones? Law of attraction and all of that!

Please share your suggestions on president@busseltonmastersswimming.com

PS Is anyone into graphics here? I will need help with the logo..... as you can see!

Well that is a good start for ideas!

Why are we doing this?

I was wondering if we really had an image problem in reality!

As it turns out...

Yes we do!

I went to a recent marketing workshop and the view of the crowd at the workshop was that as we are:-

“Master Swimmers” We are therefor elite sports swimmers! Too good for ordinary folk.

“Masters Swimmers has also been derived as “old” over 35’s

Not true on both counts of course.

We cater for all ages over 18 and all abilities.

What do we do now! Good question....Everyone will have their favourites.
