ABOUT US

Founded in 2017, iHooome is an original design manufacturer and trusted partner to globally recognized brands, creating modernist home collections with distinct aesthetic fusion.

Our designs integrate diverse global inspirations into contemporary narratives, supported by iterative R&D processes that refine every detail. We ensure product excellence and on-time delivery through rigorous quality control, precision craftsmanship, and a reliable supply chain. Offering adaptable collaboration models from volume production to flexible customization, we deliver high-margin collections where artistic innovation consistently meets commercial success.

KODI

With its elegant streamline shape and classic black checks against vibrant colors, this car-inspired sofa symbolizes speed, passion, victory. Kids will feel like they're on the racing track, living out their dream of being a little driver.
