09:00 - 09:30	Welcome & Coffee					
09:30 - 09:35	Welcome & official opening Pre-symposium EUEFES Network <i>Prof. dr. Axel Helmstädter</i> , Head of the network History of Pharmacy					
09:35 - 09:55	What makes a succesful drug innovation? <i>Prof. dr. Axel Helmstädter</i> , Head of the network History of Pharmacy					
09:55 - 10:15	Pharmaceutical innovation in The Netherlands: Quinine and cocaine as historical case studies <i>Prof. dr. Toine Pieters</i> , Director Freudenthal Institute, Professor of the History of Pharmacy and Allied Sciences					
10:15 - 10:45	The success story of the Leiden BioSciencePark <i>Prof. dr. Douwe Breimer</i> , Professor Emeritus of Pharmacology Leiden University					
10:45 - 11:05	Future of pharmaceutical innovation in Europe <i>Prof. dr. Bert Leufkens</i> , professor emeritus regulatory science and professor pharmaceutical policy					
11:05 - 11:30	Coffee Break					
11:30 - 12:15	Guided Tour Rijksmuseum Boerhaave					
12:30 - 13:30	Lunch Break					
13:30 - 14:00	Welcome & official opening EUEFES Annual Meeting & FIGON Dutch Medicines Days <i>Prof. dr. Dieter Steinhilber</i> , President EUEFES & <i>Prof. dr. Anke-Hilse Maitland-van der Zee</i> , President FIGON					
14:00 - 14:30	Smart medicines and sustainability <i>Prof. dr. Ben Feringa</i> , Professor of Organic Chemistry, University of Groningen					
14:30 - 15:00	Road to COVID-19 Vaccine Janssen <i>Prof. dr. Hanneke Schuitemaker</i> , VP, Viral Vaccine Discovery and Translational Medicine, Janssen Vaccines & Prevention					
15:00 - 15:30	Coffee Break					
15:30 - 17:00	Room:To be determined	Room:To be determined	Room:To be determined	Room:To be determined	Room:To be determined	Room:To be determined
	Parallelsession 1: Ensuring target bioavailability and bioequivalence in innovative drug delivery	Parallelsession 2: Veterinary Medicines Network session "One health concept / new developments"	Parallelsession 3: EUEFES Network Systems Pharmacology Session "Systems pharmacology: crossing disciplinary borders"	Parallelsession 4: Career Opportunities in Pharma	Parallelsession 5: Real World Data, Real life Science - Citizen Science	Parallelsession 6 : The flagship initiative 'Accelerating Clinical Trials in Europe (ACT-EU) – challenges and opportunities from ethical perspectives
	EUEFES Network on BABP					CCMO/EMA/EUPATI/MEB
17:00 - 17:15	Coffee Break					
17:15 - 18:15	Flash presentations					
19:00 - 00:00	Welcome reception & Life Science & Health Career Event					
	Venue: Boerhaave Museum					
	Venue: Stadsgehoorzaal					
	Venue: CORPUS

Program at a glance – Thursday, June 2nd, 2022

Click [here](#) for the detailed program

08:00 - 08:45	Welcome & Coffee				
08:45 - 09:00	Official opening by the Mayor of Leiden, the European City of Science 2022 <i>Henri Lenferink, Mayor of Leiden</i>				
09:00 - 09:30	EUFEPS: engine behind pharmaceutical sciences in Europe <i>Prof. Meindert Danhof</i> , LACDR, former president of EUFEPS				
09:30 - 10:00	Regulatory innovation and preparedness <i>Dr. Emer Cooke</i> , CEO EMA				
10:00 - 10:30	Introducing the Innovative Health Initiative: Europe's new partnership for health <i>Dr. Hugh Lavery</i> , Head of Scientific Operations, IHI				
10:30 - 11:00	Coffee Break				
11:00 - 12:30	Room:To be determined	Room:To be determined	Room:To be determined	Room:To be determined	Room:To be determined
	Parallelsession 7: Inhalation of Biologics and Vaccines: Pharmaceuticals aspects and Efficacy	Parallelsession 8: Nanomedicine Network session A Nanomedicines and Nanosimilars: Quality, Efficacy, Safety	Parallelsession 9: EUFEPS joint Session with EFMC "New developments in MedChem"	Parallelsession 10: Disease Interception - on the midway between Prevention and Preatment	Parallelsession 11: Human organoids, as relevant models for chronic diseases
	University of Groningen, EUFEPS, Università di Parma			EUFEPS & NVF	NVF & ZonMw
12:30 - 13:30	Lunch Break				
13:30 - 15:00	Moderated Poster Tour				
15:00 - 16:30	Room:To be determined	Room:To be determined	Room:To be determined	Room:To be determined	Room:To be determined
	Parallelsession 12: EUFEPS EPRIN Network Session "Personalised Medicine and Polypharmacy"	Parallelsession 13: Translation of additive manufacturing from prototypes into real-life examples	Parallelsession 14: Horizon Europe, research & innovation program EU, (PPP)	Parallelsession 15: OMICS - Drug discovery development / Systems Medicines	Parallelsession 16: Academic Drug Development Across Europe, Regulatory Challenges and Learnings
	EPRIN Network	EUFEPS QbD Network, LBSP		LACDR, ZonMw	RSNN, Lygature
16:30 - 17:00	Coffee Break				
17:15 - 18:15	Ariëns Lecture Laureate: <i>Prof. dr. Christine Mummery</i> , Professor Developmental Biology, LUMC				
18:30 - 22:00	Life Science Café & Conference Dinner				
	Venue: Stadsgehoorzaal				
	Venue: Naturalis

Program at a glance – Friday, June 3rd, 2022

Click [here](#) for the detailed program

08:30 - 09:00	Welcome & Coffee			
09:00 - 09:30	Combined nanotherapeutic strategies to target pancreatic cancer <i>Prof. África González Fernández</i> , University of Vigo Spain, Professor of Immunology			
09:30 - 10:20	<u>Panel discussion: Who whins, who loses?</u> Moderator: <i>Aukje Mantel-Teeuwisse</i> , Professor of Pharmacy and Global Health bij Universiteit Utrecht Panel members: <i>Alexandru Rusu</i> , Associate Director, Global Policy and External Affairs at Healthcare Business of Merck, Brussels <i>Iga Lipska</i> , Research Project Leader at National Health Fund, Poland <i>Marijn Verhoef</i> , Director of operations and research, Access to medicines foundation, Amsterdam			
10:20 - 10:50	Coffee Break			
10:50 - 12:30	<u>PhD Student Competiton</u> Awarding PhD Student Competition Awarding Poster Prizes EUFEPS Women in Pharmaceutical Sciences Award (WIPS) EUFEPS Presidential Distinction Award Pearls of Bioequivalence Award (Frankfurt Foundation Quality of Medicines)			
12:30 - 13:30	Lunch Break			
13:30 - 15:00	Room:To be determined	Room:To be determined	Room:To be determined	Room:To be determined
	Parallelsession 17: Pharmaceutical Society “Clinical Pharmacy”	Parallelsession 18: Nanotechnology applications for vaccines; opportunities, real life challenges and cold reality	Parallelsession 19: Towards Sustainable Pharmacy	Parallelsession 20: Small Molecules Academic Pharma
		EUFEPS Nanomedicines Network, Lygature	GUIDE	
15:00 - 15:30	Closure - To be announced			
Venue: Stadsgehoorzaal
