October 13, 2020 3.7K Compass Pleasure: How Our Brains Make Fatty Food, Orgasm, Exercise, Marijuana, Generosity, Vodka, Training, and Gambling Feel So Good by David J. Linden of the New York Times Bestselling Book Author comes an extremely entertaining (NPR.org) look at vice and virtue through cutting-edge science, as he did in his book, An Award-winning Professor, and Writer of The Empirical Science With AnEcmic Science to explain how the gamut of behaviors that give us noise actually works. Compass pleasure clears why drugs like nicotine and heroin cause while LSD isn't like fast food restaurants make sure diners will eat more why some some cannot resist the appeal of a new sexual encounter, and much more. Provocative and illuminating, this is a radically new and thorough look at the desires that define us 3K Want to remember in 2 or even 3 times more? A free practice lesson via the Internet. People at ANY age can remember quickly, easily and for a long time! Näytä kokonaan... See this in person: Come to the free online class HOW TO HAVE AND THE WARNING which will be held on October 14 (Wednesday) at 20:00 GMT. Nikolai Yagodkin, founder of Advance and one of the best experts in effective learning, will hold a certificate for all participants. Hook: A full step-by-step guide uses step-by-step techniques and photography to make crochet as easy as it can be. 7K Byron York - Obsession since Donald Trump's election as president - even before his inauguration - Democrats have called for his impeachment. That appeal, starting with the party's field and the press, grew steadily until it became a deafening sm and democratic obsession. The culmination was first a report by Mueller, which found no evidence of criminal misconduct on the part of the president, and then a failed impeachment. Nate the Coconaan... And yet, even now, Democrats and their media allies insist that President Trump should be to blame. They continue to accuse him of being a Russian puppet and obstructing justice. They argue that he was not justified by Mueller's report. But the truth, as veteran reporter Byron York puts it, using its unequal access to sources inside Congress and the White House, is that Democrats and the media have been gripped by hysteria against Trump that has blinded them to reality. In the fast-paced history of real Washington intrigue, York reveals: Why Donald Trump-first-resisted the advice to fire FBI Director James Comey's strategy of full cooperation with Trump's investigators - and how they felt betrayed by Mueller as Mueller's team knew early in the investigation that there was no evidence of Russian collusion Why Trump's defense team began to suspect Mueller was not actually in charge of the special prosecutor's investigation into why Nancy Pelosi abandoned attempts to restrain her imperishable party. under siege from an intransigent and obsessed opposition party. 9.5K Change the way you eat: The psychology of FoodFor many people, food is no longer something to enjoy as the stuff that nourishes us. It's something to control, to contend with, all in a distorted quest to live up to the photoshop of society's ideals. By studying the psychological factors that motivate us to eat more than we know we need, as well as the tricks marketers use to influence what we eat, Change the way you eat provides tools for readers to take responsibility for their food choices, so that lifelong changes can take place. Lynn Cooper has created a primer on the factors that encourage us to overeat or eat the wrong thing - including the impact of food marketing - and how understanding them better can help change our food. - Sydney Morning Herald 7.6K Full Reiki: An All-in-One Reiki Guide to Deep Healing and Spiritual GrowthFul Link Reiki for a new generation of Reiki healers exists in abundance all around us, and anyone can benefit from his warm, loving energy for balance and healing. But when a sudden highway accident leaves her disfigured and incapable of speech, she goes from a beautiful spotlight to being an invisible monster, so disgusting that no one recognizes that she exists. Enter Brandy Alexander, the queen of the Supreme, one operation away from becoming a real woman who will teach her that reinventing yourself means erasing your past and compiling something better. And this salvation is hidden in the last places you'll ever want to see. Hugh Laurie - Gun SellerHugh Laurie comes up with a boisterous cocktail of comic zingers and over-the-top action in this breakup parody of the spy genre (Vanity Fair) - an irresistible tale of a former Scots guard-turned-hired gunman, a freelance soldier of fortune who also happens to be one heck of a good guy. Cold-blooded murder isn't a cup of Thomas Lang tea. Suggested bundle to kill an American industrialist, he prefers to warn the alleged victim rather than - a good deed that soon takes a bad turn. Faster than he can down a shot of his favorite whiskey, Lang bashing his head with a Buddha statue, matching the mind with evil billionaires, and putting his life (among other things) in the hands of a pack of fatales women. Against rogue CIA agents, wannabe terrorists, and an arms dealer looking to make a high-tech murder, Lang to save the leggy lady he fell in love with... and prevent an international bloodbath to boot.
