Spotting and Stopping Military Scams: Military life, with frequent moves, deployments, and reliance on digital communication, creates opportunities for scammers to target service members and their families. These scammers exploit trust, urgency, and emotional stress, often posing as fellow service members or officials to steal money and personal information. Common scams include social media impersonation, fake job offers asking for fees or personal data, predatory military loans with hidden costs, fraudulent housing listings demanding upfront deposits, and impersonations of VA or TRICARE representatives requesting sensitive info or fees. To protect yourself, always verify identities through official sources, stay connected with your community to share warnings, and report any scams to authorities like the FTC or VA fraud offices. Awareness and vigilance are key to safeguarding yourself and your military family from these deceptive tactics. — *Brought to you by Fight Cybercrime*

Scripts and Scams: A Wyoming resident reported receiving a scam text from a toll-free 833 number. The message impersonated a doctor, claimed a GLP-1 prescription had been prepared, and included a suspicious bezocc domain link. *CyberWyoming Note: This scam uses a fake medical message to lure victims into clicking a malicious link, potentially leading to identity theft or malware infection. Do not click links from unknown senders and verify prescriptions directly with your healthcare provider.*

of an older adult is occurring,

Basics of what DFS/APS can do:

- If an abuse/neglect case is reported and opened, an APS Caseworker will respond within 24-72 hours, depending on immediate danger or impending harm.
- APS is mandated by statute to notify law enforcement.
- An APS Caseworker will interview the vulnerable adult to determine the facts of the situation.
- APS works with the vulnerable adult regarding availability of community services he/she is agreeable to receive in order to ensure his/her safety.

Basics of what DFS/APS cannot do:

- APS cannot force anyone to accept help, adults have the right to refuse.
- APS cannot force anyone to reside in a nursing home, APS is committed to keeping vulnerable adults as safe as possible, in their own homes.

How to make a report:

Call (307)777-7564 or click on dfs.wyo.gov/about/contact-us/
