Fancy pants 1

화면 크기 조정하기 100% 리셋 풀남 Original World 1 fancy pants adventure. Just remember to also play World 1 Remix! move - left and right arrows Duck / Slide - Down Arrow Enter the door - up arrow Pause Space Switch Music - M Slick picture flash based platform game that started it all! World 1 debuted many features that went on to define game series, such as hand drawn animations, 'superficial' levels, momentum based platforming, and abundance of ramps, loops and platforms, though all in a much harsher state than in recent titles. Play more fancy pants!: www.gulickhnc.com/drugs/erectile-dysfunction/ to the top, click Fancy Pants Adventure: World 2 Fancy Dress Pants Adventure: World 3 Fancy Pants Adventure is the original name of this awesome 2D platform series. In this game you take control of Fancy Pants - a cool stickman character who wears amazing and colorful pants! You must help our fictional hero work his way through countless cool levels and avoid various obstacles, monsters and creatures along the way! Fancy pants can run and jump and you have to control its movement using the keyboard arrow keys and jump using the S key. Different levels flow fantastically together and gameplay is fun and reminiscent of retro platform titles like Sonic. Be sure to collect squiggles as you progress and keep an eye on spring boards and secret doors. Also look out for doors that take you to cool bonus levels. Can you complete each level and complete your first fictional adventure? If you like the original Fancy Pants, be sure to check out the remixed (improved) version and second title too! Release Date March 14, 2006 Developer Brad Borne made this play. Features Cool sound effects You can be very nimble, use it to beat every challenge Smooth gameplay Platform Controls Arrow left and right to move Up arrow to open the door Down Arrow on Duck S jump Space bar to pause game Masqueella 것험 trousers 화살표 키를 사용해서 탐험을 떠나세요. 모험을 떠나는 당신께 드리는 작은 주의사항 하나 - 화난 평권을 깨우지 마세요! 땀흘림 There are no awards for this game!
