MG FALL FEISANNA

The MG Academy will host two feisanna on October 25 and 26. Dancers that have mastered the jig and/or reel are welcome to join for their First Feis! Talk to your dancer's teacher with questions.

CONGRATS CORNER

Many of our dancers spent a rainy, Irish night with the **Chicago White Sox** celebrating Halfway to St. Patrick's Day this month! Congrats on two fun performances in front of thousands!

INTERESTED IN COMPETING?

Many dancers begin competing at the end of their level 1 year or start of level 2 year, around 5-6 years old and older. See the attached "Feis Guide" for more information, and talk to your dancer's teacher if you are interested in starting!

Never too late to start!

GREAT BRITAIN CHAMPIONSHIPS

This October, 19 MG dancers will be travelling to London, England to compete in the Great Britain Championships. Best of luck to these dancers as they compete internationally – some for the very first time!
