Independent Auditor's Report

To the Board of Trustees of
The New Path, Inc.

I have audited the accompanying financial statements of The New Path, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2019 and 2018, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The New Path, Inc. as of December 31, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

My audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of functional expenses on page 13 - 14 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

The New Path, Inc.
Notes to Financial Statements
December 31, 2019 and 2018

1. Summary of Significant Accounting Principles

Operations

The New Path, Inc. was incorporated on May 18, 2000, and is a not-for-profit Ohio corporation supported primarily through contributions and grants and serves individuals in Miami County, Ohio and surrounding areas. The Organization provides assistance for individuals and/or families in various areas that may include: clothing, food, utilities, furniture, vehicles, and transitional housing, along with training, consultation services, medical supplies, and technical assistance, all from a Christian ministry perspective.

Date of Management's Review

Management has evaluated subsequent events through the date of the Independent Auditor's Report, the date on which the financial statements were available.

Method of Accounting

The accrual method of accounting is used for both financial and tax reporting purposes.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Income Tax Status

The Organization is a not-for-profit organization that is exempt from income taxes under Section 501 (c)(3) of the Internal Revenue Code. The Organization has also been classified as an entity that is not a private foundation within the meaning of Section 509 (a) and qualifies for deductible contributions as provided in Section 170 (b)(1)(A)(vi).

The income tax returns filed are not subject to examination by the U.S. federal tax authority for tax years ended before December 31, 2015.

Cash and Cash Equivalents

At various times during the fiscal year, the Organization's cash balances in financial institutions may exceed federal depository insurance limits.

Property and Equipment

All fixed assets are recorded at historical cost if purchased and fair value if donated. It is the Organization's policy to capitalize individual items costing more than \$500. Property and equipment are depreciated using the straight-line method over the estimated useful lives of the respective assets.

1. Summary of Significant Accounting Policies (continued)

Functional Expenses

Expenses are charged directly to program or management in general categories based on specific identification.

Financial Statement Presentation

The Organization adopted FASB Accounting Standards Codification (ASC) No. 958-205, Financial Statements of Not-for-Profit Organizations. Under ASC No. 958-205, the Organization is required to report information regarding its financial position and activities according to two classes of net assets: without donor restrictions and with donor restrictions.

Contributions

The Organization also adopted ASC No. 958, Accounting for Contributions Received and Contributions Made. In accordance with ASC No. 958, contributions received as recorded as with donor restrictions or without donor restrictions support depending on the existence or nature of any donor restriction. When a restriction expires, temporarily restricted net assets are classified to unrestricted net assets.

Accounts Receivable

Accounts receivables are stated at the amount management expect to collect from outstanding balances. Management provides for probable uncollected amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual receivables from grants and others. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to the applicable accounts receivable. In management's opinion, there are no material uncollectible receivable at December 31, 2019 and 2018 respectively. Therefore, allowances have not been established.

Statements of Cash Flows

For purposes of the statements of cash flows, cash equivalents include time deposits, certificates of deposit, and all highly liquid debt instruments with original maturities of three months or less.

Compensated Absences

It is impracticable to estimate the amount of compensation for future absences and, accordingly, no liability has been recorded in the accompanying financial statements. The Organization's policy is to recognize the costs of compensated absences when actually paid to employees.

Notes to Financial Statements (continued)

1. Summary of Significant Accounting Policies (continued)

Inventories

Inventories consist of donated cars, food, clothing, furniture and medical supplies and are stated at fair market value on a first in, first out basis.

Contributed Property and Equipment

Contributed property and equipment is recorded at fair value at the date of donation. If donors stipulate how long the asset must be used, the contributions are recorded as restricted support. In the absence of such stipulations, contributions of property and equipment are recorded as unrestricted support.

2. Property and Equipment

Accumulated Depreciation	(148,640)	(131,578)

If impairment is identified, the assets' carrying amounts are adjusted to fair value. There were no such adjustments for impairment charges made during the years ended December 31, 2019 and 2018.
