

SIMULATION SYSTEM

Simulation system provides an entirely new dimension of excitement and realism. Players will find themselves completely absorbed by the dramatic magic of the electronic optical system, special projection movie slide system, digital display and high output speakers.

WILD GUNMAN

Player fights quick-shooting duels with Wild West Gunmen who appear on the screen in succession. When gunman's eyes flash, player draws his gun and shoots at him. If the player's action is quicker, the gunman falls, and the next gunman appears.

- * Number of gunmen : 5
- * Playing time : 90 sec.
- * Theft-proof gun.

SHOOTING TRAINER

This is a game to hit bottles projected on to a typical Wild West scene. Bottles emerging at random on the screen explode into bits if shot accurately.

- * Digitally displayed hit score (perfect score is 40.)
- * Ranking display for A, B and C.
- * Playing time — 90 sec.
- * Theft-proof rifle.
