

Child Care Resources Inc. is here for you!

Family Child Care **TRAINING**

Scheduled Training

CCRI offers DCDEE licensing credit-bearing classes on a variety of topics for early educators. Some are delivered in person, while others are virtual. Topics range from emergency preparedness to early brain development and everything in between!

On Demand Training

On Demand training is accessible anytime, anywhere on a computer or mobile device. These trainings are self-paced, so if you need to pause a training or take a break, you can pick up right where you left off!

Scheduled and On Demand trainings can be found in the training catalog on CCRI's website. Click the image of the catalog above to view classes and register!

Choose from a variety of classes, such as:

- A Guide to the Great Outdoors
- Are Your Interest Centers Interesting?
- Bullying – Today's Mean Scene
- Creating a Classroom Community
- The Basics of Inclusion
- The Business of Family Child Care
