## **RECOVERY DRIVER**

We are currently looking for a Recovery Driver to join our busy & fast paced team at Sheriffmill Motor Company Ltd. in Elgin.

Established in 1988, family owned Sheriffmill Motor Company has grown in size throughout the years. Becoming a DAF service agent, BOSCH & Service Sure agent, being able to carry out MOT's (Class III, IV, V & VII), MOT repairs, vehicle diagnostics, air con servicing on a vast scope of vehicles. We also carry out recoveries spanning from motorcycles to articulated vehicles. We have always striven to provide a high level of customer service & satisfaction from our very beginnings, something we continue to hold in very high regard to this day.

### **The Role:**

8 hour shift.

Monday to Friday (overtime available).

Due to the nature of the job and work load, you will be required to complete 'on call' duties.

Full uniform and PPE equipment supplied.

Competitive rates of pay to be discussed at interview level.

### **Requirements:**

HGV Class 1 or 2 driving licence along with in date CPC & tacho card.

City & Guilds Automotive.

Knowledge of basic mechanics and be confident to carry out roadside repairs.

Previous industry knowledge would be an advantage but not essential.

Able to work flexible hours.

Clean, presentable and of good nature.

Self-motivated and able to work on your own initiative.

### **Benefits:**

Company pension.

Cycle to work scheme.

Free parking.

Private dental Insurance.

Private medical Insurance.
