Pennies Count Interim Financial Leadership Services

Interim Financial Leadership Services

Stability. Oversight. Continuity when it matters most.

Organizations experience turnover, transitions, and unexpected staffing gaps — but your financial operations can't pause. Pennies Count provides interim financial leadership at every level, ensuring your accounting function remains stable, compliant, and audit-ready while you hire permanent staff.

Our interim services support organizations that need immediate coverage, structured oversight, and a forensic-minded approach to financial continuity.

Interim Bookkeeper Services

Starting at: \$650 per month

Ideal For

- Organizations needing temporary bookkeeping coverage
- Teams with sudden staff absences
- Businesses experiencing backlog risk
- Companies needing consistent transaction support during transitions

Included

- Daily/weekly transaction posting
- Basic reconciliations
- Receipt and documentation organization
- AP/AR processing support
- Communication with leadership or external accountant

Pricing Reflects
