

Figment Crowned First Ever “Insomniac Records EDC Las Vegas Virtual #Rave-A-Thon Discovery Project” Winner

© DYLAN SMITH 📅 JULY 23, 2020 💎 FEATURED, NEWS

Los Angeles based DJ and Producer, **Figment**, Named **Insomniac Record**’s Discovery Project Winner after receiving the most votes from fans during EDC Las Vegas #Rave-A-Thon LiveStream.

More than 800 artists submitted for a chance to be featured on **Insomniac Records** virtual stage for this year’s EDC Las Vegas Festival dubbed #Rave-A-Thon. Of those that submitted, 47 artists were hand picked to be a part of this year’s “Discovery Project” – a platform for rising dance music producers and their live performances directly alongside the EDC festival headliners. Fans were asked to vote for their favorite performance during the live stream.

Insomniac notified all competitors of the winner via email on May 26. We are excited to announce that the first ever **Insomniac Records EDC Las Vegas Virtual #Rave-A-Thon Discovery Project** winner is Madrid born, LA-based producer, **Figment**.

Figment has been gaining momentum as a fast-rising, free-thinking techno artist, first being listed in **Buzzfeed** as one of the “Upcoming Techno Watch in 2020” and most recently being featured on a list of “5 Artists Who Stole The Show at **Insomniac Events**’ EDC #Rave-A-Thon” – all with a single official release yet, as all his tracks to date have been world premiered as podcast exclusives. A spokesperson stated that the artist is planning his first single in July, 2020.

While the live **EDC Las Vegas** event has been officially delayed until October 2020 due to concerns and restrictions over COVID-19, **Insomniac Records** successful virtual event, referred to as a #Rave-A-Thon, this summer. Millions of viewers tuned in over the 3 days, live streaming across multiple platforms including **YouTube**, **Twitch** and **Insomniac.tv** during any given moment.

Other artists who delivered highly engaged performances included hotly tipped acid techno act **i_o**, rising dubstep/riddim producer **Subtronics**, techno stalwart **Nicole Moudaber**, and West Coast booty bass don **Claude VonStroke**. Nearly 100 established and emerging artists performed over the weekend.

Reached for comment **Figment** had a few quick words: “Thanks to Pasquale Rotella, **Insomniac Records**’ Joe Wiseman and the entire team at **Insomniac** for the opportunity. Thank you to the headliner fans who know that in reality, this music competition is not about artist hype or big costumes but just connecting with people through music. Thanks to everyone who voted for the music.”

Figment won the Discovery Project by receiving the most votes from fans. With over 100,000 followers on Instagram and a growing international fanbase, his biweekly curated online show, **The Not Figment Podcast**. **Figment** continues to establish himself as a rising techno music star, solidifying his status as a surprise techno artist of 2020 by coming away with the winning votes during the **EDC Las Vegas #Rave-A-Thon Discovery Project**.

Insomniac Records Discovery Project is a live music platform dedicated to helping emerging artists reach new audiences by having fans vote for their favorite acts, the winner getting to open for a major live act. **EDC 2020**’s fan favorite, and first-ever winner of the **EDC Las Vegas #Rave-A-Thon Discovery Project** is Los Angeles based DJ and producer **Figment**.
