Coventry Public Schools, located in eastern Connecticut, is committed to ensuring that all school-age children residing within the school district have the same access to public education. We look forward to working with you throughout the enrollment process. Who should register? All new students entering Coventry Public Schools (PreK-12) are required to register. Students who wish to enroll in preschool must first complete initial enrollment on the HEEC 2020-2021 Preschool Registration page. Once the initial registration is complete, HEEC will contact them by email. In the email, there will be instructions detailing the following steps, including completing the PowerSchool Registration.How do I enroll my child in school? Please click Express Pre-Registration and fill in the required information. If you are registering more than one child, you will fill out the form for your first child and click the Apply to School button. That button will change to Enroll Another button. Click that button to fill out the form for your next child. Once you have completed the pre-registration form, and the registrar has reviewed it, you will receive an email from no-reply@coventryct.org with additional instructions on how to complete the registration process. Please note that if you are registering multiple children, you will receive an email for each child. Please check your spam folder if you do not see it in your Inbox within 1-2 days. If you have any registration questions, please contact the Registrar at (860) 742-7334 x4269 or registrar@coventryct.org. If you need technical assistance completing the forms, or need help creating/adding a student to your account, please email us at help@coventryct.org.Required Registration Documents1.
