

# GERIATRIC WELLNESS PLAN

## Equine Wellness PLANS

We offer wellness plans for every age and life stage, with the benefit of personalizing the plan to your horse's unique needs. Our plans suit the everyday backyard horse, performance horses, and senior/geriatric horses.

### ♥ GERIATRIC Wellness Plan:

Perfect for the horse that's over 15 years old. This plan helps older horses to age gracefully through the prevention and early detection of age-related diseases. The plan includes screenings for heart disease, glaucoma, and pituitary pars intermedia dysfunction (PPID or equine Cushing's disease) to increase healthy longevity.
