Connecting residents of Iver Heath with each other and the local issues that matter

The Iver Heath Residents' Association provides an important platform for local residents to help shape the future of Iver Heath. From keeping the village tidy, through monitoring air quality in Iver Heath, to lobbying on infrastructure projects and planning issues: we are active on behalf of our community.

But it's not just about planning issues and picking up litter. We participate in and organise all sorts of events and initiatives for individuals and families, send out regular bulletins, raise money for good causes, and support environmental initiatives to maintain and enhance our green spaces.

The IHRA consists of a wide range of residents who live across all areas of Iver Heath. There is power in numbers: the more residents that become members, the stronger our voice. If you are not a member already then join us – whether you want to become actively involved or just be kept informed.

Together we can make a difference so please do support us!

How to join

Simply complete and return the form overleaf together with the subscription fee.

To join for the period ending 31st March 2021, membership fees have been set at **£5 per household for this year**. All permanent members of the household aged 18 and over are eligible within the membership. Upon joining you will receive a copy of the constitution, membership card and other relevant information.
