Translate pro in spanishinformal 1A professional, especially in sports. Tennis pro'Does it protest when baseball or tennis players become pros right after high school? Sites tend to list biographies and name some of the professional designations that qualified pros have. Sports staffs are now urging the pros of country clubs to act as tennis instructors. Most of the pros and big-time athletes who made the juice were under the supervision of a doctor at some point and had some clean roids to use.' According to the NCAA statute, a student athlete can be a professional in one sport while maintaining amateur status in another. If my son ever gets the opportunity to play football as a professional, I would advise him to do so. Some of the best examples of recent years have been joined by a new name on professional and student sports scenes. What quality among match officials is most respected by tennis pros? He was an amazing athlete who never had a chance to turn pro because of World War II. With pros playing at the Olympics, this is the last place for pure amateurism. His first two games as a were in the playoffs, and he had two points. Even with full information and investment pros analysis, returns are no better than if you buy stocks randomly. No need to see pros play to learn or enjoy sports. In the pros, players become even more specialized and do not have time to worry about playing in other positions. Designers also look at what riders wear to feeling like a pro, how their sports gear to match. It was one of those gut-wrenching golf tournaments decided with the last kick on the last green before the rookie pro emerged with his first win. On the other hand, Stanford did it in 1998 without a future professional at any guard. In football, old pros will always tell you that the team that wants it to win the most.'professional player, not amateur, paid playerexpert, master, maestro, past master, soldier, adept, virtuoso, old hand, experienced man, authority (man or event) professional. Also, a pro fitness contest can become a pro figure event instead. As far as professional teams were concerned, Glasgow enjoyed a good start to the season and got as far as Celtic's league semi-final, proving they are becoming more competitive. However, there is an irony in the fact that if the plan is to load pro commands successfully they will again need a chief executive. Let professional teams worry about producing professional players, cut amateurs free from professional commitments. Winning his fourth pro event made Woods as well. Sponsorship seminars with professional staff and regional well-known turkey hunters will lure customers into your shop. Rugby in the region is in jeopardy - the pro team is close to disbanding at the end of the season as central budget cuts bite and the area's business community has so far failed to come up with a rescue package. But times have changed and the Olympics are attracting more and more professional players. We hope to start it and get some league going so that it's good to end up for both youngsters, through and good professional players as well. Instead of developing players internationally, Scotland's professional teams were supposed to feed youngsters up to a basic competitive standard that some never achieve. For many of these guys their interest may be about professional player opportunities, but for others it's about having ambitions to set new goals - like European rugby.' I'm afraid to think, for example, how many points Glasgow would take off glasgow Hawks, and in fact I think every year a top club should get to take on the bottom pro team. There is talk of union offerings pro teams for the franchise, but I think it's more important that every player in these professional teams should be eligible for Scotland.' having only two professional teams in the whole country brings home the truth about how small our game of rugby is when, really, you want something that makes us look much bigger. If they perform, they keep their place in the professional ranks of the team; if they don't with it, they fall back to their clubs and rival claims to be his place. This can easily be compared to outrageous pro sports contracts that day; he took the money and ran and then failed to succeed as other major professional sports leagues stack up against the NBA in the tote logo. The basketball superstar, now 40, played his last pro game last month. The strangeness comes a little later when amateur athletes like these turn pro. They have made 21 consecutive postseason appearances, the longest active streak in the big league pro sports.in favor, a statement, pro, on the side of the 19th-century acronym. Translate pro into spanishusually pros advantage or argument in favor of something.' pros and cons of ownership share 'Hope you would see a more balanced argument in favor of the pros and cons of GM, and that we should not believe everything we read. This essay discusses the pros and cons, the pros and cons of serious acceptance of human rights. Weighing all the pros and cons, I clicked and came out of there. It can be useless if someone got a bad habit and made a snap decision between Christmas and New Year that they were going to stop without weighing the pros and cons.'If a person was from the Highlands, they would be familiar with the pros and cons of this kind of area, he said. And you don't have to be a genius to add up the pros and cons of that one. Bertie struggles with the pros and cons of his choice.
