Guide to operation Citroen DS4 2013 Download Free Download32.2 MB READ POSTED on 26 Apr, 2017 by Independent File size: 13.13 MB Payment and download of the book electronically (PDF format) is made on the site. To do this, you need to find the book you are interested in and click on the Buy button. The price of the book is on the button. For convenience, the price on the site for residents of Russia, Belarus and Kazakhstan is presented in rubles. For the residents of Ukraine in hryvnias, and for all other countries - dollars. After clicking on the BUY button, you will open a payment window, where you can choose a payment system, with which you can pay for the chosen book with any bank card (Visa, MasterCard, WORLD, etc.) Clicking on the Pay button with a bank card will open the Portmone payment system with the easiest way to make a payment. In addition, the site for payment includes four payment systems: Yandex (payment from any bank cards, Yandex Money account, zIWI Wallet, terminals, etc.); Portmone (payment from any bank card, Portmone account); PayPal (payment from any bank card, PayPal account); WebMoney (payment from any bank cards, payment from WebMoney wallets). Payment through Yandex Cass After choosing payment through Yandex will start the payment system Yandex Cash, where you need to choose a convenient payment method (bank card, zIWI, Yandex Money account, etc.) After specifying payment details and confirming payment, the payment will take place. If you have a bank card in a currency that differs from the ruble, the debit of money from the card will take place at the rate of the Central Bank of Russia at the time of the purchase. This method of payment is ideal for residents of Russia, Kazakhstan and Belarus. The official website of the payment system Yandex Cass Payment through Portmone After choosing payment through Portmone will start a payment system, where you need to choose the way to pay a bank card or a Portmone account. The price in the Portmone payment system is recalculated in the dollar at the rate of the Central Bank of the country where you are located. If you have a bank card in a currency that is different from the dollar, the debit of money from the card will occur at the rate of the Central Bank of your country at the time of the purchase. After the payment details have been specified and the payment confirmed, the payment will take place The official website of the Portmone payment system Payment via PayPal After choosing payment through PayPal will launch PayPal payment system, where you need to choose the way to pay a bank card or PayPal account. If you already have a PayPal account, you need to go into it and make a payment. If you don't have a PayPal account and want to pay with a pay Card through PayPal, you need to click on the Create an Account button - the picture shows with an arrow, PayPal will then ask you to choose your country and provide your credit card details. Once you have the data you need to make the payment, click on the Pay Now button. The official website of paypal Payment via WebMoney After choosing payment through WebMoney will launch a payment system, where you need to choose the way to pay for a bank card or Purse WebMoney. If you already have a WebMoney wallet, you need to go into it and make a payment. If you do not have a WebMoney wallet and want to pay in a different way, you need to choose any of the methods that WebMoney offers and make payment After specifying payment details and confirming payment, the item will be paid for. The official website of the Payment System WebMoney Downloading the book After successfully passing the payment (in any way) and returning to the store KrutiVertel from the site of the payment system you get to the page of successful payment: On this page you need to specify your e-mail, where the access will be sent to download the book. If you are already registered on our website, just follow the link Office. The book you bought will be in your personal office, from where it can always be downloaded. Please note that once you make the payment, you will need to return from the payment system website to the KrutiVertel website. In case, for any reason, you have not returned back to the site and closed the tab of the payment system with a message about the successful passage of payment, tell us about it - we will send you an email in which will be available for download of the book. Problems with paying with bank cards Sometimes when paying with Visa/MasterCard bank cards can be difficult. The most common of these: On the card there is a restriction on payment for purchases on the Internet Plastic card is not intended to make payments to the Internet. The plastic card is not activated to make payments to the Internet. There are not enough funds on the plastic card. In order to solve these problems you need to call or write to the technical support of the bank in which you are served. The bank's specialists will help them to solve and make payment. That's basically it. The entire process of paying for a PDF book on our website takes 1-2 minutes. If you have any questions left, you can ask them using the feedback form or write us a letter to info@krutivertel.com. info@krutivertel.com. citroen ds4 manual 2012. citroen ds4 manual 2016. citroen ds4 manual 2014. citroen ds4 workshop manual. citroen ds4 2015 manual. manual citroen ds4 2013. citroen ds4 repair manual. citroen ds4 service manual
