## **FINANCIAL INFORMATION**

### **FINANCIAL AID**

Kingsburg School of Dental Assisting does not participate in any state or federal Financial Aid programs. If a student obtains a loan to pay for an educational program, the student will have to repay the full amount of the loan plus interest, less the amount of any refund.

### **STUDENT'S RIGHT TO CANCEL**

Students have the right to cancel the Enrollment Agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.

To cancel enrollment, the student must submit a written request to: Kingsburg School of Dental Assisting, 1518 Draper Street, Kingsburg, CA 93631. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with proper postage. The written notice of cancellation need not take any particular form and however expressed; it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement. If the Enrollment Agreement is cancelled the school will refund the student any money, he/she paid within 45 days after the notice of cancellation is received.

### **WITHDRAWAL POLICY**

Students have the right to withdraw from a program of instruction at any time. For the purposes of determining the amount the student owes for the time attended, the student shall be deemed to have withdrawn from the program when any of the following occurs:

- a. The Student notifies Kingsburg School of Dental Assisting of withdrawal or as of the date of the student's withdrawal, whichever is later; or
- b. Kingsburg School of Dental Assisting terminates the enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the institution; absences in excess of maximum set forth by the institution; and/or failure to meet financial obligations to the School; or
- c. The Student fails to attend any classes for fourteen (14) consecutive calendar days;  
or
- d. The Student fails to return from a leave of absence.

If the student withdraws from the program after the period allowed for cancellation of the agreement and has completed less than 60 percent of the period of attendance, the Kingsburg School of Dental Assisting will calculate whether a refund is due, and if so, remit a refund within 45 days following the withdrawal. If the student has completed more than 60% of the period of

attendance for which the student was charged, the tuition is considered earned and the student will receive no refund.

Students who intend to withdraw from school should provide official notification at the address of the Kingsburg School of Dental Assisting shown on the enrollment agreement. Students may provide official notification mail or in person but are strongly encouraged to provide written notice.

The withdrawal date used to determine the amount of tuition owed or refund due will be the date of official notice or the last documented date of attendance, whichever is later.

### **REFUND POLICY**

Students who timely cancel the Enrollment Agreement will receive a full refund. Students who withdraw from a program instruction before completing 60% or less of the program will receive a prorated refund, calculated based on a daily program rate. The amount owed equals the daily charge for the program (total institutional charge divided by the number of hours in the program), multiplied by the number of hours scheduled to attend, prior to withdrawal. If the student has completed more than 60% of the period of attendance for which the student was charged, the tuition is considered earned and the student will receive no refund.

Refunds will be returned to the student within forty-five (45) days of withdrawal or cancellation. All amounts paid by the student shall be subject to the pro rata refund.

Kingsburg School of Dental Assisting does not participate in federal or state financial aid programs. However, if any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of the benefits received, and any remaining amount shall be paid to the student. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

### **STUDENT TUITION RECOVERY FUND (STRF)**

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment if you are not a California resident or are not enrolled in a residency program. It is important that you keep copies of your enrollment agreement, financial documents, receipts, or any other information that documents the amount paid to the school.

Questions regarding the STRF may be directed to :-

Bureau for Private Postsecondary Education

Address: 1747 N Market Blvd, Suite: 225, Sacramento, CA 95834

P.O. Box 980818, West Sacramento, CA 95798-0818

Web site Address: [www.bppe.ca.gov](http://www.bppe.ca.gov)

Telephone and Fax #'s:

(916) 574-8900 or by fax (916) 263-1897

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120-day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.

7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery.

If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.
