For a specific grade level, all English indicators are placed in an ordered list and the percentile is calculated for each result based on your position in the list. The math and English percentile of (a&b above) is weighted based on the number of students who completed each type of test to create a combined Math + English weighted percentile for each school. The combined Math + English-weighted percentile is placed in an orderly list of a particular type of school (elementary/high school/K-12) and the percentile-within-the-school-type is calculated. As a percentile of work: the school percentile has a number between 0 and 100, which reflects the percentage of schools of the same type (elementary/high school/K-12) in California that is equal to or lower in the combined Math + English weighted percentile (from 1-c above). For example, the 70th percentile school would have a combined weighted percentile equal to or better than 70% of other schools of the same type. CSR Rank sets the school percentile compared to other schools of the same type in California (from 1-d above). (1 is the worst, 10 is the best). Schools in the 90th percentile and above it have a rank of 10, 80%-89.999% rank 9 and so on. A similar number of schools rank each. * This rank is derived from data from the 2016 California Student Performance and Progress Assessment Alternative schools receive percentile, but not ranked More information: 2016 CAASPP paper test results Don't forget to join us TODAY, Wednesday, December 16th from 4-6pm! We will have our holiday snacks and book distribution from 4-6 of our drive through the loop. This is a gift from the WTO, our James Monroe parent/teacher organization. We can't have a Winter Wonderland event we had hope for, but we hope you'll drive through and pick up... Mehr your child's book/gift and holiday snack bag. It will provide some Winter Break reading material and cozy munchies. We look forward to seeing you there! This is a Drive Through just in case, and don't forget to wear your masks when coming in contact with our James Monroe volunteers ☺. If you can't drive through tonight but still like a gift, please contact the school office. We may have extras, subject to availability.
