

# News Bulletin 6th September 2019

Dear Parents and Carers,

It is hard to believe we have come to the end of our first half term, time seems to have flown by. I have been reflecting on how engaged and absorbed in their learning your children have been and how it is always a joy to promote the school to visitors and prospective parents.

## **Bonfire Night Social Evening 5<sup>th</sup> November:**

We look forward to seeing you all there!

## **Save the Date: Saturday 23<sup>th</sup> November**

Our Advent Fair is fast approaching and plans are underway to organise a fun-filled event for you and your children.

## **Reminder**

Flu Immunisation Our school day for nasal flu vaccine is Monday 4<sup>th</sup> November and is organised by the North Somerset Immunisation Team. All parents received full details regarding the flu vaccination for children earlier this term so please check this out if you have any queries.

## **Online Safety**

It is vital that both school and home do all that they can to promote online safety. This online safety website is an excellent source of free advice and information for all parents/carers so please have a look:

Hello, my name is Mathilde, I'm a 26 years old "Steiner kid" who has just arrived in Bristol to attend a music school (BIMM). I am currently looking for accommodation, so I thought that asking the familiar Waldorf community would be a good idea. Sharing a house with a family would be ideal for me since, as a mature student, I really want to make the best of my time here and be focused, so I'm looking for a quiet situation. I love cooking, sharing ideas, and I clean up behind myself. Max rent pcm 400 all included, ideally around 300 + a few hours of work in the house (painting, gardening, pet care, other help...); long term. I can pay a deposit and have references.

Here's my number: 07985270841

And email: [mathilde-93@libero.it](mailto:mathilde-93@libero.it)

Thank you!

My name is Lena, I am 19 years old and I live with my family and my little dog in a city called Darmstadt, south of Frankfurt in Germany. I was in the Waldorfschool in Darmstadt and I finished school this summer. I was also in a Waldorfschool kindergarten. I love to be creative, to sing and to dance and I love children and animals. Since I am 8 years old I am going to the Circus Waldoni. My favorite genres are acrobatic and juggling. I got the trainer license to take care of children and to teach them the various genres in the circus.

Now I want to improve my English. So the best opportunity to reach that goal is to go to an English speaking country.

Do you know a family who needs any help (for example to take care of children or animals) with free board and lodging for 1-2 months?

I am available from January until March and May 2020.
